COLLEGE BOY'S DAMAGE SUIT SETTLED OUT OF COURT

WILL CAMPAIGNING BUT IT COSTS BIG SUM TO HEAR HIM

(Special To The News)

NEW YORK, Oct. 17.—We opened up our show last night, putting on a Fred Stone show without Fred.

Fred is about like Ringling bringing in his circus and announcing that he is sorry, but the elephants, clowns and horses were not with it.

Lindy attended our opening to pay his respects to the clever daughter of his fallen aviator friend.

What's been Fred's greatest worry, was that his fall, given such wide publicity, might injure the game, but an accident like that might happen to anyone.

Hoover opens here next Monday night. It's pretty tough for us getting six sixty, when the other candidates are showing all over the country for nothing. Their leaders even conscript people to make 'em go in an listen to them.

Yours,
WILL ROGERS.

PA NEWC OBSERVES

Pa Newc is glad to welcome to New Castle the host of visitors coming to attend the Scottish Rite reunion at the Cathedral.

Delegates from Lawrence county who have recently returned from the state convention of the Sabbath School Association, held at Philadelphia, report that the convention while a good one, fell short of reaching the high spot set by the epochal gathering in New Castle a year ago. The New Castle convention has set a goal for all cities to shoot at, it was the concensus of opinion of delegates who attended the two conventions. The delegates were enthusiastic about coming back to New Castle. However, arrangements were not made to bring the convention here. The place selected for next year's convention was left with a committee.

Pa Newc notes that the stop sign at Albert and Sheridan avenues still remains on Sheridan avenue. This sign should be on Albert street, as by far the larger amount of traffic goes on Sheridan avenue.

Governor John S. Fisher of the state of Pennsylvania will be in New Castle tomorrow. While he is coming in connection with the Scottish Rite reunion, plans are being made for a semi-public reception on his arrival.

New Castle is to extend an invitation to the state librarians to meet here next year. The invitation was given last year for the present convention, being held at Uniontown, but due to various exigencies, the invitation was not pressed. It is anticipated that the convention will come here next year.

While a definite route has not as yet been announced for the inland tour of the Graf Zeppelin, it is indicated that it may come over this district. The route appears to be much the same as that taken by the Los Angeles recently, which went over the Seventh ward and North Beaver township district.

Pa Newc rode on a certain street car yesterday. At one block the motorman stopped without looking to right or left. Pa Newc wondered why and cast his eyes about. Down the street there came a mill man enroute to work and he was hurrying to catch the car. New Castle motormen are the kindest that Pa Newc has ever seen or heard about. Believe it or not.

Shoe shiners report business to be good these slushy days. When it gets too bad, they say, people just don't bother to be shined until the day is over for they know the polishing will be lost in their first exit to the street. However, now, with little inclemency, the shines are good.

Up at the New Castle Motor club there are booklets that depict life and countrysides, cities and mountains,

Settlement Is Made At Court In Hazing Case

Suit For $50,000 Damages Comes To Sudden Ending After Jury Is Chosen

HARRY C. GLUNT IS PROSECUTOR IN CASE

Claimed He Was Hit By Auto After Four Students Left Him Blindfolded

Settlement of a hazing case in which students at Westminster college were concerned was effected before Judge R. L. Hildebrand this morning immediately after a jury had been selected to try the case.

Negotiations were in progress between the attorneys for more than an hour, before an agreement was reached.

As a result at least three days, which it was estimated it would take to try the case, were saved.

The case dates back to October, 1926. On the 12th of that month it was alleged that Harry C. Glunt, of Freeport, Pa., a student at the college was taken out on the Volant and New Wilmington road to a point near the New Wilmington cemetery, by a number of students, among whom were Paul K. Gibson of New Kensington, Pa., William H. Baldinger of Butler, Pa., James Blackwood of Cleveland, O., and R. Graham Fitchian, whose address was not learned.

Glunt, according to the statement of claim was blindfolded, bound struck and ill-treated. Then it was claimed that those who were hazing him stood him on the public high-

Hickman Issues Final Message; Is Ready To Die

Faces Death On Gallows Friday With Stoic Calm; Has Repented Crime

LEAVES MESSAGE FOR YOUNG MEN

Body Of Arch-Fiend Will Not Be Given To Science; Mother Objects

(International News Service)

SAN QUENTIN PRISON, Cal., Oct. 17.—Doomed to die on the gallows here Friday, unless something unforeseen happens, William Edward Hickman today issued the following "farewell message" to the world:

"I believe that if the people simply followed the Golden Rule the world would be free of evil. I don't want any young man to study my crime, for all can see where it has led to.

"My mind was so warped by over-education that I became a fiend incarnate, living without consideration of mercy toward mankind. I decided to kill a human being as a supreme experiment to test my limitations. I even planned to lead the career of a super-criminal, masking my activities under the guise of a Christian minister.

"If I had not been caught when I was I would undoubtedly have committed even greater atrocities than the murder of Marion Parker."

Has Repented

The next part of his remarkable statement told of his repentence and of how he was studying the Bible and of other books he was reading.

The statement proceeds revealing his attitude toward his impending death:

"I have no fear of death. I feel that through confessing my sins I shall have everlasting life. I wish to deny that I intend giving my body to science. I have no personal aversion to it, but my mother objects."

The statement then went on to discuss the discord in his home. Hickman declared that this might have had something to do with his downfall, but, he added, "It is largely my fault."

The statement concluded thus:

"A young man who tries to build character without truth is like the house built on sands. I am paying the penalty now of my ignorance and egotism."

Issue Building Permit For New Structure On First U. P. Church Site

Permission has been asked by J. Clyde Gilfillan and granted by Chief of Police C. C. Horner, for the former to start removing the debris from the site of the former First United Presbyterian church, North Jefferson street. This work is to be started in the near future, it is understood.

In order that the work may be expedited, Gilfillan has been granted permission to close up a part of Sycamore Way and also of Cochran Way, and a part of the sidewalk on North Jefferson street, while necessary in taking down the remains of one of the former towers of the church structure.

At the same time a building permit was taken out by Mr. Gilfillan at the office of the city engineer, providing for the erection of a two story brick business block on the site of the old church, calling for the expenditure of $65,000 in its erection. It will be occupied by a business enterprise, it is understood.

Mr. Gilfillan is out of the city today, and could not be reached, but it is understood that the erection of the new building follows the sale of the church site, and that in connection with this sale, the contract for the erection of the new United Presbyterian church at Albert and Clenmore, for which bids were taken some time ago, will be awarded.

Governor Smith Goes To Chicago; To Speak Friday

Leaves Southern And Border States In Confident Frame Of Mind

BELIEVES MISSOURI NOW SAFELY HIS

To Spend Three Days In Illinois In Effort To Swing State Over

By GEORGE R. HOLMES
International News Service Staff Correspondent

SEDALIA, Mo., Oct. 17.—Governor Al Smith closed his border states tour today firm in the belief that they have all—Tennessee, Kentucky, Missouri and Oklahoma—been won to his banner, he faced eastward again happy and confident. When he left rural Missouri today for Illinois he was fortified with assurances from state leaders that if there ever had been any doubt about Missouri's eighteen electoral votes there was none now.

Al Smith does not take every report turned in exuberant and enthusiastic local chairmen at face value. But he sincerely believes he has won the border country.

Ahead of the New York Governor as he faced eastward today is Illinois and his own Atlantic seaboard where he feels at home. The West, with its unfamiliar territory, and the border country, with its baffling cross currents of religious and prohibition complexes, is behind him.

To Speak In Chicago

Governor Smith is going to make a real bid for Illinois and its 29 electoral votes, which only once have ever been cast for a Democratic candidate for the presidency. That was in 1912 when Woodrow Wilson realized upon the Republican suicide of that year.

HOOVER FAVORED TO WIN IN WEST

Outlook "Very Promising" Says Congressman John M. Morin

By ARTHUR C. WIMER,
Special Washington News Correspondent.

WASHINGTON, D. C., Oct. 17.—Congressman John M. Morin of Pennsylvania, chairman of the House military affairs committee and for many years head of the Fraternal Order of Eagles of the United States, is of the opinion that the Hoover outlook in the East is "very promising".

Congressman Morin, after campaigning in Massachusetts, Missouri, New Jersey and New York, reported to the Republican National headquarters here that the Democratic nominee, Al Smith is in a "bad way".

"When Herbert Hoover made 'a job for every man' one of the chief objectives of his proposed administrative program, he got the attention of every worker in the big industrial districts," Congressman Morin told G. O. P. leaders. "With the election rapidly approaching, a great many are deciding that Mr. Hoover is offering a sounder and more sensible program than his opponent. I think that we can rest assured the working men of the East are far more interested in jobs than jags, and that common sense will prevail in this election."

ACRE YIELDS 512 BUSHELS OF POTATOES

Highest Official Yield In County Made On A. E. McCreary Farm At East Brook

ONE MEASURED ACRE GIVES RECORD CROP

An unparalleled record for raising potatoes which has never before been officially noted in Lawrence county has taken place on the farm of A. E. McCreary of Volant, R. D. No. 3, near East Brook on the East Brook and Neshannock Falls road where 512.2 bushels of potatoes were dug from one measured acre of land. This record has never before been equalled in this county and has few superior records anywhere in the state.

Of Uniform Size.

The test and digging was conducted Tuesday October 16 at the farm of Mr. McCreary in conjunction with County Agent Harold R. McCulloch who states that the potatoes were all of uniform size and one of the finest fields that he has ever witnessed.

The field of potatoes were sprayed 16 times during the summer months, the ground was fertilized with 900 pounds of fertilizer and 22 bushels of seed were used. The field received average cultivation.

The potatoes are Michigan Russets and U. S. number 2 grade seed was planted.

Exact Acre.

Mr. McCulloch stated that the field was exactly an acre and that it was determined by actual measurement. We did this, stated Mr. McCulloch, in order that no inexact estimates would be made.

Throughout the records, there has never in the history of the county been a greater yield on an acre of land in potatoes. It is the first real record breaking crop that this county has produced.

"It is another proof" states Mr. McCulloch, "of the benefits received in using certified potato seed and careful spraying."

Foster Stopped In Making Of Speech

(International News Service)

WILMINGTON, Del., Oct. 17.—William Z. Foster, presidential nominee of the Workers' party, was warned today not to attempt to hold any more meetings in this city. He addressed a mass meeting here last night until he pleaded for the "uprising of the masses" in event of war and the "overthrow of the government." Then police broke up the gathering.

Two Chinese Held In Tong Killing

(International News Service)

BOSTON, Oct. 17.—An outbreak of the Chinese tong war here, which claimed Gee Wey Kin, a laundryman, as its first victim, resulted in the arrest of two Chinese today.

With the spread to this section of the tong hostilities, which started in Philadelphia and which swept from coast to coast, three Chinese reported they had been marked for death.

Plan Reception For Governor On Thursday

Chief Executive To Be At The Castleton For Time Prior To Going To Cathedral

Scottish Rite Reunion Program Starts This Afternoon; Lasts For Three Days

While the degree work of the semi-annual New Castle Consistory Reunion does not start until this afternoon, many candidates for degrees arrived in the city Tuesday evening and this morning were registered. Others arrived at the Scottish Rite Cathedral this morning and the influx of candidates will probably reach its peak early this afternoon.

Among the candidates will be His Excellency, Governor John S. Fisher, and Secretary of Labor James J. Davis. These distinguished guests will reach New Castle Thursday sometime before noon.

State Librarian Here

Accompanying Governor Fisher will be State Librarian Frederick A. Godcharles. They will be in Uniontown this evening where a new public library will be dedicated and will spend the night in Pittsburgh. Early Thursday morning they will motor from Pittsburgh, arriving in New Castle about 10:00 o'clock.

A committee from the New Castle Consistory will meet the Governor's party at the city line and escort them to The Castleton. Here at 10:30 a public reception will be held to which the public is invited. Following the reception the party will go to the Cathedral to attend the ceremonies there.

Other distinguished members of the Ancient Accepted Scottish Rite will be present for the reunion and the number of guests is expected to exceed any previous reunion.

Arrest Man In Slaying Of Son Near Uniontown

Aged Father Jailed As Son Is Killed Following Argument; Gun Is Used

TWO WITNESSES TO SLAYING SCENE

Father Enraged Over Attention Paid Widow By Son; Shooting Denied

(International News Service)

UNIONTOWN, Oct. 17.—With the testimony of two persons that they saw Benjamin Epley, 67, of White House, shoot his son, Hiram, 27, to death, county authorities today sought a motive for the slaying. The aged man, lodged in county jail, insists that two mystery men killed his son.

First theories that Hiram was a victim of a quarrel between father and son over Hiram's attentions to Miss Emma Lincoln, a widow, were discarded by police on the woman's testimony that she had been treated well in the Epley home. Miss Lincoln and her mother, Mrs. John Lincoln, claim to have been eye witnesses to the slaying.

Stories Vary.

They told police that shortly after Hiram left the Lincoln home after a visit Monday night the elder Epley came to the Lincoln home, awakened her, and warned her "there was going to be trouble."

Miss Lincoln said she and her mother dressed and hurried after Hiram. A short distance from the Epley home, according to the women's testimony, the two men met, and after a short conversation, the elder man opened

Blueprints Of Perry Highway Received Here

Part Of Road For Which Contract Is Soon To Be Let In Lawrence County

WILL END NEAR CHAS. JORDAN FARM

County commissioners have received elaborate blue prints of the Perry Highway, for which the state is asking bids for a stretch extending from Mercer, ten miles south in the direction of Harlansburg. About two miles of the highway will be in Lawrence county, and will extend to a point near the farm of Rev. Charles Jordan.

There is to be a change in the lines of the present road a short distance north of where the Volant road leads off from the Perry Highway. There are two very steep hills at this point and a slight bend in the road.

It is proposed to straighten the road and eliminate a part of the grade. The land embraced in the proposed change of location belongs to two separate owners. The commisioners are expected to secure consent of the owners to change the road.

As the improving of the road will be of great benefit to the owners by enrancing the value of their farms, it is expected that there will be no difficulty in obtaining releases.

Contract for the ten miles of highway will be let within a very short time. It is expected that work will begin this fall, if the bids are satisfactory. This is entirely a state proposition, the state bearing all of the expense.

It is hoped that by next summer an additional section of the road will be built from the end of the section which is to be improved, south toward Harlansburg. Eventually it is expected to connect up with the New Castle and Butler improved highway at a point between Rose Point and Portersville.

George Buchanan Reported Improved

The condition of George M. Buchanan of East Washington street, who was seriously injured in a fall several days ago, is reported as greatly improved at the present time.

Mr. Buchanan sustained painful injuries about the head and shoulders when he slipped and fell in a local bank building. He has been confined to his home for some time.

Zeppelin Flight Over United States Still Uncertain

Graf Zeppelin May Go Back To Germany Immediately

OR TRIP MAY BE MADE ACROSS U. S.

(International News Service)

NEW YORK, Oct. 17.—The Graf Zeppelin may go immediately back to Germany when repairs on her are completed and make a second trip to America later in the year, it became known today.

In this eventuality the first trans-Atlantic passenger dirigible will not make any trips inland over America at present, said Hugh Allen, representative of Dr. Hugo Eckener, commodore of the airship.

If a flight is made westward over the United States, two courses lie open to the Zeppelin. The most practical would be to follow the air mail route across Pennsylvania.

Officials of the Zeppelin company and Dr. Eckener himself are anxious to exhibit the successful trans-Atlantic lighter-than-air passenger ship to as many persons as possible in the advancement of the cause of the Zeppelin as the ideal mode of travel.

Thus if weather permits Eckener would like to map his course across

Hunt Fugitive In Gun Battle At Beaver Falls

Thomas Stork, 41, Shot To Death In Gun Duel On Streets At Midnight

(International News Service)

BEAVER FALLS, Pa., Oct. 17.—Authorities throughout the Beaver Valley today sought Raymond Van Fossen, 35, of Beaver Falls, in connection with a revolver duel in a street here at midnight in which Thomas Stork, 41, was shot to death.

Police said that the two men had been on bad terms for some time and that last night Stork met Van Fossen near the Stork home. Both drew revolvers, police claim and opened fire. Later Stork, was was rushed to a hospital, told police that Van Fossen had been warned to stay away from the Stork home.

Stork was struck in the neck by the bullet which caused his death.

Local Flier Will Pilot Big Plane In Atlantic Hop

Has Been Here For Several Months As Flier For Robt. C. Love

EXPECTS TO MAKE TRIP IN FEW DAYS

Hop-Off To Be Made From Old Orchard, Maine, Is Plan

Captain Ronald Smith, World War aviator with the English aviation forces, who has been in this city several months instructing Robert C. Love, local banker, in the use of his new plane, it was learned today has accepted an invitation extended him by Captain Sabelli, Italian aviator, in charge of the proposed flight of the Bellanca plane, "Roma", from Old Orchard, Me., in a non-stop trans-Atlantic flight, to act as pilot of the plane on the trip.

When questioned today by a representative of The News, Captain Smith was very reticent, but admitted that he had been invited to pilot the Roma on its proposed overseas trip and that he had accepted.

He leaves soon for Wilmington, Delaware, from which place he will fly the Roma to Mitchell field, New York, shortly after his arrival in Wilmington.

It is understood that the flight of the Roma will take place in the next week or 10 days. Captain Smith declined to give any information in regard to this matter.

The Roma will fly from Mitchell field to Old Orchard, Me., where the start will be made on the trans-Atlantic flight.

Crew of Four

The Roma is a single motor plane It will carry 4 1-2 tons of gasoline or 1,200 gallons, the greatest load ever attempted in a plane and flight o

Pinchot Asserts Berks County To Turn Republican

Democratic Stronghold In Pennsylvania Said Going To Aid Hoover

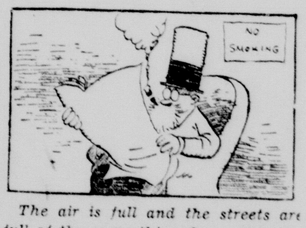

(International News Service)

READING, Pa., Oct. 17.—Prediction that Berks county, long a Democratic stronghold will favor Herbert Hoover in the presidential election, was made by former Governor Gifford E. Pinchot in an address to the members of the Wyomissing club here.

Pinchot disclaimed all intention of entering politics again now saying his interest is centered on his proposed scientific expedition to the South Seas.

He made a special plea for the $25,000 state forestry amendment during the course of his talk and predicted Pennsylvania will give Hoover a large majority.

Arthur Mometer

The air is full and the streets are full of the same thing day and night and it doesn't take much of an argument to develop right quick to a right. There's friends of Hoover's and friends of Al's and both of them ready to show, why the opposition has done things wrong and spent too much of their dough. So the air is full of the arguments and the streets and the stores the same way, all arguing who should be president, its seventy-eight today.

Zeppelin Crew Is Being Feted

Banquet Tonight For Commander, Crew And Passengers

(International News Service)

NEW YORK, Oct. 17.—The crew and passengers of the Graf Zeppelin, which completed its epochal flight from Germany on Monday, started another round of receptions and entertainments.

The noise of the boisterous welcome given the flyers yesterday by New York's millions had hardly subsided when arrangements were made to hold three receptions for them today, including a luncheon in their honor at the Advertising club and a reception at the German club.

Banquet Tonight.

A banquet will be tendered them at the Hotel Astor by the German-American Board of Trade this evening. The speakers will include Mayor Jimmy Walker, Senator Royal S. Copeland and Herman von Loewenski, Germany's consul general.

Dr. Hugo Eckener, commander of the Graf Zeppelin, hopes to start the return trip to Germany in the dirigible within ten days. Most of the passengers who came over on the giantress have reserved accommodations for the return trip, according to Ernst Brandenburg, under-secretary for aviation in the ministry of transportation in Germany, who crossed on the dirigible.

Repair Dirigible.

Repairs to the dirigible's damaged wing are expected to be completed at Lakehurst, N. J., within two or three days. The ship then will be taken west on a trial flight, perhaps as far as Chicago.

"I hope that we can fly to Pittsburgh, Akron, Detroit, perhaps Chicago and other midwest cities," Dr. Eckener said.

Meanwhile the flyers will visit Philadelphia, Lakehurst and Washington. They leave for Philadelphia tonight for a reception by the Philadelphia Chamber of Commerce tomorrow. On Friday they will have breakfast with President Coolidge at the White House.

New York's welcome to the visitors lasted until the wee sma' hours this morning. They attend a musical comedy at the Ziegfeld theatre, where the audience greeted them enthusiastically. Then they went to another theatre where they saw the films of the Zeppelin's arrival here.

Passengers would be carried between some cities on an inland flight if one is made, Allen said. He could not tell at present where stops would be made but thought it likely the Graf Zeppelin would land at Detroit and St. Louis.

Everything about such a trip, said Allen, depends on a conference of Zeppelin officials with Eckener and officers of his crew which will be held some time during the next twenty-four hours when time off from the series of fetes New York is tendering the German airmen permits.

way, blindfolded, and commanded him not to move until he had counted 200. It is claimed that the hazers then left, leaving Glunt standing in the highway.

Struck By Auto

Before he had counted the 200 he was struck by an automobile, sustaining a bad facture of one leg near the thigh and other injuries. In the hospital it was found necessary to perform an operation in setting the bones of his broken leg, by tying them with wire. For many weeks after getting out of the hospital he was compelled to walk on crutches but was finally able to walk by the use of a cane. It is alleged in his statement that he will be a cripple for life. Suit was brought against the four defendants for $50,000.

Suits were also entered in Butler and Washington counties, and two more were to have been brought in Ohio, in addition to the suit here. The terms of the settlement made this morning take care of all the suits filed in the different counties of Pennsylvania and also the proposed suits in Ohio. The amount awarded to the plaintiff under the terms of the settlement, will not be made public until after the withdrawal of the other suits. It is understood to have been a substantial sum.

Glunt was represented by Attorney Walter Braham and the defendants by Former Judge W. E. Porter, John P. Lockhart and former Judge James J. Galbraith of Butler.

GOVERNOR SMITH GOES TO CHICAGO; TO SPEAK FRIDAY

(Continued From Page One)

Tonight he will reach Chicago. He will stay there tomorrow and Friday, on Friday night he will speak at the 131st Regiment Armory in what promises to be a memorable political meeting. Democratic candidates for the presidency do not usually spend three days in Illinois. Governor Smith is. He is doing so because he believes they will be profitably spent.

En route to Chicago today, the New York Governor was to make a number of stops in Illinois, notably at Springfield and Bloomington, the down-state cities. His candidacy must catch on down-state if it is to be successful in Illinois. He visited Southern Illinois, enroute to Sedalia on Monday.

Governor Smith closed his campaign west of the Mississippi here in Sedalia last night with a slashing attack on the Republican fiscal record of the past eight years. He paid his respects particularly to "Coolidge Economy" and in the process he accused his Republican opponent, Herbert Hoover, of being a party to the "deliberate misrepresentation" of the Republican record.

OPPORTUNITIES.

Hoover Opens Them to Everybody.

Our greatest national extravagance is the human waste that results from business cycles, hard times and unemployment. Hoover has attacked this problem systematically. He was the first to go to the root of the trouble. The unemployment conference, appointed by the President at Hoover's suggestion, studied the causes of hard times and found ways to prevent them before they occur. Stable markets for our goods—that is what we need, and that is what Hoover's department created. Commercial scouts in the remotest corners of the earth are finding out what farm produce or manufactured goods may be needed there and sending the news to the Department of Commerce at Washington. A new railroad is to be built in the Orient. It will need rolling stock, structural steel, American products, more jobs for American workmen.

Is The Last Word In Transportation Of Sick Or Injured Persons

R. L. Boyd, 216 North Jefferson street, well-known funeral director, has just purchased and received one of the latest improved models of invalid cars for use in his business.

There is not a thing missing from the equipment of the car that will aid in the care and comfort of the sick or injured person who may find it necessary to use such a vehicle.

Its exterior finish is dark blue with trimmings of black. It is finished in blue mohair, has blue curtains and all interior trimmings are in keeping with this color combination.

It is equipped with a cot that may also be used as a chair, according to the need of the passenger. There is a first aid kit, thermos equipment for hot and cold water on long trips and many other things that add to the comfort of the passenger.

MRS. GEORGE RENAMED W. C. T. U. PRESIDENT

(International News Service)

SCRANTON, Pa., Oct. 17.—Delegates to the fifty-fourth annual convention of the Women's Christian Temperance Union of Pennsylvania Tuesday re-elected Mrs. Ella M. George of Beaver Falls, president. Contests for other offices were such that it will be late today before the tabulations of the vote are completed.

ARE YOU ONE OF THE FIVE?

Have you been pinched yet? Remember that one out of five get it.

These, dear readers, are the figures resulting from recent automobile surveys which show that one of every five automobile drivers in the cities is charged with violations of the traffic laws each year according to the statement of Bernard Hanlon, manager of the New Castle Motor club.

From the facts gleaned through surveys throughout the state and United States in which Lawrence county participater, it is known that the number of violations are twice as large as the percentage gain in automobiles so there must be something in the woodpile after all.

"The trouble sems to lie," states Mr. Hanlon, "in the fact that traffic regulations differ in many cities and the motorist is the innocent party in the offense with which he is charged."

New Castle, states the motor club head, has standard triffic regulations which are acknowledged in most cities as basic at the present time. Many motorists and out of town tourists have expressed themselves favorably concerning New Castle's regulations in traffic while in the motor club office, states Mr. Hanlon.

Suspended Police Captains To Face Civil Commission

(International News Service)

PHILADELPHIA, Oct. 17.—Three suspended police captains, William Wuest, John Kern and William Frantz, were charged with neglect of duty today by Director of Safety Harry Davis. They were ordered to trial before the civil service commission on Friday.

The charges grew out of revelations that a number of places were violating the law even after Mayor Harry A. Mackey's order to the police to "clean up."

Captain James Gill also faces suspension as a result of his refusal to tell District Attorney John Monaghan how he came into possession of $80,000 in four years on a $2,500 yearly salary.

SCIENCE CLUB MEMBERS MEET

Members of the newly organized science club at the George Washington Junior High school met for their first session Tuesday afternoon. There were 32 students who signed up for membership.

Ralph Lingerman, supervisor of the organization, announces that considerable time was devoted to suggestions for the club's name. However, it was not chosen at that time. A financial committee was appointed to take care of the matters of finance that will likely arise during the first few weeks, such as the matter of ordering scientific magazines for the members. The committee includes Clyde Gibson, chairman; Charles Kay and William Hazen.

Following this Mr. Lingerman proceeded to point out to the members the program ideas that may be worked out. An enjoyable program is planned for next week's meeting.

AS THEY SEE SMITH'S CAMPAIGN

HEREWITH is presented a cross section of comment found recently in newspapers here and there throughout the United States, reflecting the reaction to the speaking tours of the candidate of the Democratic party, Governor Al Smith.

The Saturday Evening Post, has declared Herbert Hoover a national asset, to which we add that the political failure of Governor Al Smith, on his western tour, has placed him in the position of a "frozen" asset.—*Denver Rocky Mountain Herald.*

Criticism of Smith's reactionary declaration against the restrictive immigration law, like other criticism that he calls "the whispering kind," has been emphatic, outspoken in public addresses and newspapers. Smith's leading journalistic champion, the New York World, cries out a protest and begs him to abandon his immigration agitation.

Smith is conducting a superficial, deceptive campaign, but it will not win him the confidence of a majority of the American people. His speeches won't stand the analysis of conscientious reflection.—*Spokane (Wash.) Spokesman-Review.*

Smith demonstrated that he was still the Smith of legend, the Happy Warrior who had repeatedly wisecracked his way into the gubernatorial office of New York, but he showed a lack of presidential campaigning qualifications. The American people demand something more than trivialities, side issues, harangues in their presidential campaigns, and they are not easily deluded.—*The Fargo (N. D.) Forum.*

Thoughtful persons must be reading Governor Smith's speeches with a feeling of disappointment. So much has been said about the man's great abilities and his comprehensive grasp of public questions that he was expected to exhibit these qualities in action when he took the national stage. What he has exhibited thus far is ease on the platform, a wordy fluency and a certain degree of intellectual smartness. He has discussed no national issue without demonstrating his lack of information.—*Philadelphia Public Ledger.*

The idea that New York has cherished for a good many years is that the west is the home of the rube and the hick, the one-gallused lads with a penchant for chewing straws and wearing ten gallon pants, where the gold brick industry is always good and any kind of plated ware can be passed off as sterling goods. A careful study of Al Smith's Omaha speech, in which he made a bid for farm support, makes it plain that the democratic nominee was running true to the traditions of his home town. For all that he offered was a replica of the same old gold brick.—*Lincoln (Neb.) State Journal.*

We gather from Governor Smith's speech at St. Paul, in which he referred among other things to the development of inland waterways, that, if he had been President and the Democratic Party had been in power, the Mississippi flood would not have occurred, or, if it had occurred, everything would have been in readiness for it. Probably also they should have avered the catastrophe that befell New England, particularly Vermont, when the good Lord let the rains descend too abundantly. As the part of protest and belated curs, the Democratic Party, we are more than ever convinced, serves a useful purpose.—*Hartford (Conn.) Courant.*

In Denver, Governor Smith became so entangled on the sugar tariff and protection that Colorado is now safe for Hoover by a still greater majority. Governor Al Smith would have received more votes for President had he never made his de luxe tour in the West.—*Denver Rocky Mountain Herald.*

Former Governor Sweet, of Colorado, a Democrat, who refuses to support Smith, when reminded by some of his Democratic friends that it was his duty, as a Democrat, to stand by his party's nominee, retorted: "Dry Democrats are urged to support Smith because he is the party nominee. But National Chairman Raskob thought prohibition was sufficiently important to resign from the Union League Club, a Republican club, in order to help elect his wet friend, Smith, to office." That rang the bell, of course. It punctured the bunk.—*Philadelphia Sunday Morning Dispatch.*

A man about town is seldom about anything else.

The average man usually thinks he is above the average.

The man who marries for money never gets as much as he earns,

Before letting your conscience be your guide be sure you have one.

If sentiment doesn't impel people to give you things worth keeping, it shouldn't impel you to keep the junk they give.

The World AND THE Mud Puddles

SOME "STAR" BEHIND.

Millions are amused, entertained and taught daily by the motion pictures. There is much done back of the camera that what is reproduced before it shall be as perfect as human thought can make it.

There's a man in Hollywood reaping a harvest of gold in the movies and only a handful of people know him. He is Tim Steele. He makes wagons for the "pictures." Steele's latest order is fifty gypsy wagons for the picture starring Dolores Del Rio. Steele made the prairie schooners in "The Covered Wagon," and a lot of carts that carried big guns in the war pictures. Steele also supplied the wagon parts for Charlie Chaplin's "The Circus."

Hundreds of men and women make money in the movie industry who never get within a city block of the movie camera.

AMERICANISM: Keeping an ear open for slander about the other candidate; wondering how anybody can be fool enough to believe the tales about you.

How thoughtless we are. The passenger pigeon and the buffalo are extinct and yet dry agents blaze away at motorists.

Today

The Great Ship Arrives.
What Is Man? Admirable.
He Begins a New Era.
Daedalous a Reality.

By ARTHUR G. BRISBANE
(Copyright, 1928, by N. Y. American, Inc.)

Monday, Oct. 15, will remain an important date in the history of science and progress. The arrival of the great Zeppelin after difficulties natural to so great an experiment marks the beginning of a new era for the human race in travel and in thought.

Men used to creep over the earth, timidly looking at the sky, trembling at the lightning.

Now they will sail proudly along the clouds, looking down from the sky upon the earth that once held them prisoners.

And what a magnificent road the airship travels, as wide as space, with every road leading everywhere. The Zeppelin giant, at the order of its captain, could select, across the ocean, a road to suit wind and weather, and here go straight to the waiting hangar at Lakehurst or turn to sail above New York, letting the biggest city see the biggest material accomplishment of man.

The Zeppelin brings a score of passengers and is a marvel. Successors to this flying ship, different in shape and build, indifferent to wind and storm, will carry thousands of passengers at one load over the oceans and continents of the earth.

Electric trolleys and automobiles enabled city crowds to visit first, city suburbs, then points far away.

The flying machines will take entire populations to see the whole world.

Little imagination is required to show us, in the future, flying schoolhouses and universities. Students and teachers on flying ships, actually seeing and learning at the same time, will be carried by wireless power, taken up from the earth, by moving airships.

It is pleasing to think of Niagara's power, sending and bringing ships across the Atlantic, while the power of the Colorado river carries airships over the continent and out on the Pacific.

What men can imagine they can do, and there is no limit to their imagination.

When Virgil described Daedalus, flying from the labyrinth in Crete across the Mediterranean to safety, he little thought that men—dozens together—would actually fly the Atlantic, compared with which the Mediterranean is a small pool.

Meanwhile the Presidential campaign goes on. In these days of unlimited possibilities the Presidency offers great opportunity to a capable man.

Mr. Hoover was preparing to go to New England, campaigning, while Governor Smith, brown derby in hand, was laying a wreath at the side of the cabin in which Lincoln was born.

When asked to make a speech in the little cabin, Governor Smith, with good taste and good political judgment, declined. He went to see Lincoln's birthplace, not to make a speech in it.

A Chicago stock exchange seat sold for $60,000 a new high price. New York brokers pay $450,000 for a seat, which shows how speculative money goes to New York.

Intelligent men in the American Legion demand a separate department for the American air fleet, agreeing with General Mitchell, dismissed for knowing too much and talking too frankly, about flying and the mistakes of his "betters".

The air fleet will be a separate unit eventually, and no well-meaning dodo, no protector of battleship building interests will be able to prevent it.

The Zeppelin's arrival should make this government realize that flying is too great to be a branch of army, navy or anything else.

To man's ingenuity there is no end, and the British seem to be surpassing us as inventors.

One introduces a new talking machine record, in the form of a thread. A coil weighing a few ounces holds as much as ten ordinary disc records. The new device can be applied completely to any present talking machine.

Mr. Stephenson of the Wachovia Bank & Trust Co., says wills are in existence written four thousand years ago. When the giant trees of California were little trees, not more than 50 feet high, men were already arranging to ruin their children by making it unnecessary for them to work.

Lady Heath beats the woman's record by climbing 23,000 feet into the air in a light airplane. A fine achievement, although, in proportion to the diameter of the earth, it is as though a microbe on an apple rose into the air one-thousandth part of an inch. When will living men escape this earth, to visit the moon, or nearby Mars, and return to tell about it? That would be flying.

Hints and Dints

Sun sets tonight 5:17. Sun rises tomorrow 6:14.

A new kind of gas was used to bring that big German Zeppelin to this country. It must be the real stuff.

It's impossible to improve on nature. The girls have tried hard enough. And now look at 'em.

In many cities attempts are being made to route through traffic over streets that are not so congested and way from the big travel. We are anxious to see just how much relief that North street bridge is going to give. We will still have all the traffic right where it is now after the bridge is built. A solid bridge from Jefferson street to North street would not lessen traffic in the down town district.

An old-fashioned man is one who sees a girl smoking and believes he could pet her but doesn't care to.

Man gets the best idea of how fast sound travels when he does something he is trying to keep from his wife.

ANOTHER DEAL.

As at the game of life I play,
I often think and feel
How glad I'd be if only Fate
Would give another deal.
Would suffle up the cards and say,
"You're hand ain't worth a cent,
So here's to better luck old man,
Ere all your money's spent."
But I must play them as they are,
These cards so weak and small,
And pass and pass and follow spit,
And lose—and that is all.

We cannot figure out how Aimee McPherson, redheaded Los Angeles female evangelist can find any real deviltry to preach about in England after being so near Hollywood, Cal., and knowing all about things there. She was also once in New Mexico, she claims and we never heard her say a word about Mexico.

Dear Hints and Dints—Very few readers knew the meaning of the words "idiom" or "axiom." I find by investigating several languages that the former is derived from "idiot"—an idiot who wanted the people to think idiomatically. The word "axiom" was derived from people who have an ax to grind. Of all the idioms and axioms we read or hear every one can be traced in the final analysis to some lunatic. J. P. D.

Our old friend Charles Anderson of Axis, Alabama, has sent us our regular package of persimmons. They are about the finest thing we have ever seen. He also raises all kinds of pecans and sells them also to those who send for them. We always know when persimmon time comes in Ole Alabam, because Charley sends us a flock of them.

It may be news to some birds that there is a law in Pennsylvania which provides quite a severe penalty for those who stop along the highways and steal fruits and other things from the farmers. This is a mighty good law.

WHAT HOME IS.

Home is the place where a boy can find supper ready when he is hungry, where he can find a bed when he's sleepy, a roof when it rains, a fire when it's cold and a mother that never forgets him. A place that never goes back on him whatever he does.

The stay-at-homes are usually the pay-as-you-go folks.

The governor of Pennsylvania and the secretary of labor in the president cabinet will be in New Castle on Thursday and Friday of this week attending the fall reunion of the Consistory at the Scottish Rite Cathedral. Many other prominent men will be here. Why not do a little decorating in honor of the distinguished gentlemen?

There only has to be one famous man born in a jerkwater town to make it a metropolis.

It would take a whole lot of other attractions to make us fall in love with a girl in correct riding togs, including a derby hat, knee high boots and reinforced breeches.

Some women seem to prefer having their pictures taken with a dog than with a man. We always feel as though we see a neglected man somewhere when we see a woman with her picture taken with a bow-wow.

The airships with the balloon effect seem to be the surest of reaching a point which they set sail for.

Perhaps the strongest argument in favor of squash pie, instead of pumpkin is that it saves you from eating that much squash in some other form.

Charles M. Schwab is still wearing an overcoat he bought in 1912 and that may sound like a record but wait until we hear from the editors.

BE KERFUL.

To gather riches, do not hazard health,
For truth to say health is wealth of wealth.
—Sir Richard Baker.

Usually the fellow who sleeps with a revolver under his pillow deserves something he is afraid he'll get.

We are still enjoying eating green beans, lettuce, radishes, tomatoes, peppers, beets, potatoes, etc., out of our garden. A garden is very much all right most all summer and fall.

A lot of misleading Democrats are ashamed of the head of their ticket and say so freely. Oh, wham de doodle wham!

NOTHING NOW

Two delivery clerks, at a concert, were finding the program long and boring. And, when three ladies came on to sing together, one of the boys felt it was too much.

"Bill, I can't stand this any longer. Let's get out."

"Hold on a bit, Jim," replied the other, soothingly. "They're hurrying up. See, they're putting on the singers three at a time now."

Automobile fatalities showed an increase of 100 per cent in 77 selected cities during the six months ending October 6 over the same period last year. We often wonder how long the people are going to stand for this.

"The cafeteria is more popular with men than women.' You can't change your mind in a cafeteria.

WE ARE NOT GETTING VERY FAR

Ignorance lies at the bottom of all human knowledge and the deeper we penetrate the nearer we arrive unto it. —Colton.

On this bright and beautiful morning we pause to wonder what new thing Mr. Borah is opposed to.

They say the inventor of the gin fizz is dead. His masterpiece preceded him.

"Here's a sigh to those who love me,
And a smile to those who hate;
And whatever sky's above me,
Here's a heart for every fate."

No wonder Tolstoy was an idealist. His home was named Polyanna.

AN EMPTY HOUSE

An empty house is a lonesome place,
Lord, keep me from it ever!
For there must be smiles each room to grace
Or I shall go there never.

The squeak of the stairs is a gruesome sound,
And I jump at a curtain flapping.
An empty house is a tomb I've found
Where many a ghost comes tapping.

The chairs stand still and they stare at me
Rigid, and stark and lifeless
Not for long can I stand to be
In a house that's childless, wifeless.

An empty house is a ghastly place,
For the silence is appalling,
And I need the smile of a happy face,
And a voice which heeds my calling

Yes she must speak when I cry "Hello!"
And my little ones must play there,
Or out of the home we love I go,
Too terrified to stay there.

SEVEN COURAGEOUS SOULS

The boy who can carry money in his pocket without spending it.
The girl who can listen to flattery without believing it.
The man who can be true to his conscience in a crowd that is not.
The mother-in-law who can let the young people work out their own problems.
The man who can stand alone for cause that is not profitable.
The preacher who hears the voice of God above the voice of the congregation.
The public official who backs up when he's wrong and walks straight when he's right.

Allenby As Guest Of Nation Recalls Days Of Crusaders

Modest Hero Of World War Called Statesman As He Looks Forward To Peace Among The Nations Of The World

An atmosphere of the days of romantic crusades to the Holy Land appears to Americans to surround Field Marshal Viscount Allenby, liberator of Jerusalem, as he makes his first visit to the United States at the invitation of the American Legion. The press of the country looks upon him as a modest hero of war, who also possesses the instincts of a statesman.

"The members of the American Legion know," says the NEW YORK SUN, "that he was a good enough soldier to combine armored cars, cavalry, infantry, camel corps, airplanes, warships and Bedouin tribes in a single military operation." Speaking of his cooperation with T. E. Lawrence, whose influence with the tribes aided the field marshal in his work in Palestine, The Sun continues: "He worked as well with Lawrence as if the guerilla leader had been the very pattern of an orthodox British officer. It was Lawrence, remembering the meeting between Allenby and Feisal at Damascus, after the end of the war in the east, who wrote the most vivid and succinct description of our visitor. He then described him as 'gigantic and red and merry, fit representative of a power which has thrown a girdle of humor and strong dealing around the earth.'"

"None of the commanders in the World war won a more enduring fame than he, and none, since the end of the fighting, has borne a more important part in the task of world reconstruction," testifies the CHICAGO DAILY NEWS, with the further tribute: "His military reputation enhanced by his political services since the close of the war, Allenby of Megiddo comes to this country as an example of the highest type of soldier-statesman produced by that prolific mother of great men, the British empire."

"He is one of the most romantic and appealing figures of the World war," states the BROOKLYN DAILY EAGLE. "One must follow the desert route from Cairo to Jerusalem, which he traced with his army, to realize the desperately difficult conditions which he overcame to achieve the conquest of the Holy City. * * * He is one of those rare soldiers who, after achieving greatness in the field, win new laureis in the ways of peace. Time has not dimmed the brightness of his achievements. The military historian who is considering the World war from the perspective of a decade finds that Allenby's Palestine campaign stands out as one of the most brilliant."

"The tale of his fighting in Asia was a tale of romance in a war of mud and cooties and wholesale slaughter. He was an heroic figure," is the tribute of the LYNCHBURG NEWS, with the added comment: "Allenby recalls the days of sacrifice, of high idealism, of hot enthusiasm. His name and his exploits are not forgotten. He was the plumed knight of the war, his helmet was followed in the thick of the fight."

"He is the embodiment," declares the FLINT JOURNAL, "of Richard the Lion-Hearted, a descendant of that intermingling of Norman and Saxon which today we know as the English people. The whole Christian and Jewish world looks to him as the liberator of the cradle of the two great religious faiths." That paper also recalls the fact that he "humbly entered the Holy City on foot through the old Jaffa gate" and that "it was a solemn moment as this bronzed crusader of modern times walked through the gate." The UTICA OBSERVER-DISPATCH also emphasizes the solemnity of that approach to Jerusalem, and speaks of how "he drove from that city the Turks, who had ruled Palestine for centuries," as "the leader of the last crusade."

"One of the strict orders to the army under his control," says the ST. JOSEPH NEWS-PRESS, "was that they should do no irreverence to the sacred places of the three religions which flourish there—the Christian, the Jewish and the Moslem. Surely this was the right man in the right place at the right time. The men under Lord Allenby were of all faiths and they must have appreciated the fitness of his policy on that historic occasion."

"Allenby changed the map of the world," avers the MORGANTOWN NEW DOMINION. "He broke the power of the Turk in the Holy Land and brought it under a different influence—one which today is assisting the people in their struggle toward a greater degree of self-government, as well as for more economic freedom." The DAVENPORT DEMOCRAT calls him "one of the most picturesque figures of the World war and illustrates that with the description: "A campaign which resulted in the capture of Jerusalem from the Turks; that broke a Turkish line reaching from Gaza to Beersheba; in the course of which Turkish guns were fired from the Mount of Olives, and in which the British occupied Bethlehem and other cities prominent in the story of the Holy Land since the time of Moses—such a campaign, crowned with complete success, makes stand out as one of the great generals of the great war."

"His achievements touched a chord of sentiment that appealed to all races and classes," testified the MANCHESTER UNION, adding that "this campaign assumed, in the mind of Christendom, the nature of a crusade," and that "for years he had urged that Palestine should be made into a permanent homeland for the Jews."

The PHILADELPHIA RECORD says: "Merely to mention to the land where this campaign was waged is to open vistas of remote antiquity, where vanished civilizations lie buried beneath the dust of time, and speculation itself stands baffled in the silence of the unknown. In successive ages it knew the way of Israel and Assyria and Persia, of Greece and Rome, of Saracen and Crusader. To recall the movements of Allenby's forces is to recreate scenes that have enriched the annals of mankind and changed the currents of history."

Referring to the British leader's advocacy of peace, the NEW YORK TIMES concludes: "May this hero of Armageddon, the 'last of the crusaders,' become the modern prophet of the fulfillment of Isaiah's far hope, the realization of the peace proclaimed two thousand years ago."

Dr. Crane's Editorial

THE INSOLUBLE MYSTERY

The insoluble mystery is the creation of life. At one time scientists supposed they had accomplished it. But other scientists came along and showed that their tubes were not clean or their water not boiled. Minute living organisms had spoiled their experiments.

Nobody has yet succeeded in making a living out of what was not already alive. All the Frankenstein stories are pure imagination.

Dr. Victor Coffman, research authority, stated the other day that in his opinion we must stop short of the development of synthetic life in the complex form of man.

Science has done and is doing many wonderful things. The towsled-headed scientist was formerly sneered at as a useless and superfluous member of society. The soldier, the priest and the business man were supposed to be the big boys of the family, the scientist an idle dreamer.

Nowadays the scientist bids fair to be the most important man among us. By his means it is said that every citizen of the United States has command of powers enough to say that he has sixty servants.

The scientist has shown us how to run our trains and trolleys, to use the telegraph and telephone, to light our houses, to alter the dyeing and perfumery business, and even to wage the most deadly kind of war with gases. He seems to be, in the American language of the street, "the candy Kid."

As Dr. Coffman says, science may harness the sun to produce sugar, may turn the waste of the present year into the foods of the future, may apply life to living organisms and to aid in the growth of others, but it cannot produce life.

Science has made great strides in the production of fuel. When our supplies of petroleum fail we shall be able to use liquid fuels made by the distillation of coal. If coal fails us we can make alcohol from cellulose or from water gas.

In England and France great strides are being made in searching for a chemical agent that will store up the heat of the sun for us.

They have already collected minor quantities of sugar from the light of the sun's rays.

But what life is, whence it comes and whither it goes is as much of a conundrum now as it was in the days of the cave man.

Tomorrow—Won't Power.

"Beer King" On Witness Stand In Graft Probe

Al Hendri, 30, Alleged "Beer King", Reveals Paying For Protection

SENSATIONAL NEW EVIDENCE GIVEN

(International News Service)

PHILADELPHIA, Oct. 17.—The story of Al Hendrie, 30-year-old Philadelphia "beer king," of how he purchased the rights for his beer trucks to travel unmolested from his Easton brewery to a central distributing point here had resulted today in the arrest and holding for court of Police Captain William Frantz and ten detectives on bribery charges. All were held under bail ranging from $1,500 to $10,000 each.

Hendrie, a world war flying ace, wounded in various skirmishes, and his brother, Ferguson, revealed full details of their beer-running traffic and of how they paid $900 a week for the right to run their trucks into the city. Both men were held under $10,000 bail each. Two former members of Unit One, the crack rum-raiding squad, and two saloonkeepers, also were arrested on extortion and bribery charges.

Gets Death Warning.

The exposure of the beer running activities of the two brothers came at the close of the grand jury's investigation for the day when warrants for the men were sworn out and all were arraigned before Judge Edwin O. Lewis, instigator of the crime probe.

Hendrie's face blanched as he gave his testimony when four spectators gave him the "death sign," drawing a forefinger across their throats in a significant gesture.

Hendrie's testimony also implicated Charles Beckmen, suspended captain of detectives, who attempted to resign while on trial before the police board.

Superintendent of Police William B. Mills called a secret meeting of all his inspectors, captains and acting captains today.

Lutherans Will End Convention At Erie, Penna.

Divorce Question Held Over Until 1930 By United Lutherans

(International News Service)

ERIE, Pa., Oct. 17.—Delayed by discussions of divorce, business reports of the Lutheran church in America were to be cleared and the convention adjourned today.

The convention attempting to fix more definite standards in relation to divorce, withheld action on this until the 1930 convention at Milwaukee. In the meantime further study of the question is to be made.

The divorce discussion was precipitated by the report of the committee of morals and social welfare which urged that infidelity and "malicious desertion" be recognized by the church as the only two causes for divorce; and that specific rules for remarriage of a divorced person be adopted.

The committee's report was followed by arguments that several other causes should be proper grounds for divorce. The discussion ended by tabling of the entire report. Remarriage of divorced persons, in the meantime, will be left to the discretion of each minister.

Twenty-Seven Ask Pardons Today At Board Meeting

Four Second Degree Murderers Seek Freedom From Pardon Board

HARRISBURG, Oct. 17.—Twenty-seven cases were listed for oral argument before the State Board of Pardons today. Four will be considered on papers submitted.

The cases include four murders in the second degree and nine statutory cases.

The cases of Dr. William W. Grove and Samuel Kelly, Cambria county, who are serving terms for attempted abortion in which Kelly's wife died, was contined at the request of counsel. When attorneys for the two men found that the district attorney's office would question the reliability of unsworn statements which it was intended to introduce it was agreed that depositions should be taken.

Because no effort had been made to secure a parole from the Butler county court the case of B. H. Smulovitz, serving eight months for operating gambling devices, also was continued.

Three Verdicts Are Returned In Cases At Court

In the case of Thomas M. Patrick against Harper Dick which was tried in county court before Judge Hildebrand the jury returned a verdict in favor of the plaintiff for $329.44. The case was one in which Patrick claimed a balance due on training race horses for Dick.

In the case of the J. H. Gilfillan Electric company against W. E. Spangler, tried before Judge Chambers the jury returned a verdict of $42 the amount claimed by the Gilfillan company.

In the case of the Associated Advertising Service against the People's Furniture company a verdict for the plaintiff in the sum of $451.40 was rendered. Defendants made a motion for a new trial. The case was tried before Judge Chambers.

Robbery Occurs In Seventh Ward

Meyer And Weller Hardware Store Is Scene Of Morning Robbery

Discovery was made at 6 o'clock this morning by Officer John Gollis that the Meyer and Weller hardware store, 100 East Cherry street, had been the scene of a robbery.

A stone had ben used in breaking one of the plate glass display windows. This had occurred some time between 4 and 6 a. m. because everything had been found all right until 4 a. m. when the officer made his rounds at that time.

Mr. Myers was called but was unable to determine what might have been taken. Mr. Weller later determined that two revolvers, one a 38 calibre Colt and the other a 32 calibre gun, had been taken.

Detective John Young and Officer Charles Longstreth made the follow-up investigation today. There is a possible clue or two that may result in the arrest of the thief and the recovery of the guns.

AUTO STOLEN HERE TUESDAY EVENING

F. J. Rocks, 105½ North Mercer St., reported to the police last night that his Star roadster, 1927 model, Pennsylvania license 630-555 had been stolen about 9:25 p. m. from in front of the post office on North Mercer street. Surrounding cities were notified to be on the lookout for the machine.

Pawnshop Owner In Pittsburgh Is Slain By Thugs

Find Body Of Pawnshop Owner Dead On Floor And Safe Looted

(International News Service)

PITTSBURGH, Oct. 17.—Abe Susman, 60, owner of a small pawnshop here, was gagged, bound and then murdered shortly before noon today by bandits. The killers escaped.

The safe in the pawnshop was looted and police believe several thousand dollars in cash and jewelry were stolen.

Susman's body was found face downward alongside the cashier's cage. He had been shot through the back, the bullet passing through to the chest. An empty revolver was found near the body. The revolver shot attracted pedestrians and led to the discovery of the slain man's body.

Seek Breaking Of Big Oil Contract, Machinery Is Set

Government Hopes To Break $65,000,000 Contract In Salt Creek Fields

(International News Service)

WASHINGTON, Oct. 17.—Governmental machinery was set in motion today to break the $65,000,000 contract whereby royalty oil in the Salt Creek Field, adjacent to Teapot Dome is sold to the Sinclair Crude Oil Purchasing Company.

The contract was given to Harry F. Sinclair by ex-Secretary of Interior Albert B. Fall. Last January it was renewed by Fall's successor, Dr. Hubert Work, now chairman of the Republican national committee.

Attorney General Sargent, in an opinion delivered to the president, held the contract was invalid, chiefly because it contained a secret five-year renewal clause.

The Interior Department will advise for new bids for sale of the oil, and will stop the Sinclair concern from taking out more oil.

The justice department started its investigation of the deal last spring following considerable agitation in the senate. Senators Walsh (D) of Montana and Capper (R) of Kansas led the attack upon the contract.

Plan Remodelling Of Old East Street Fire Dept. Building

Members of city council have tentatively agreed to remodel the building in East street, formerly occupied by the Central fire department and also the present room in city hall which is occupied by the treasurer.

According to plans the present treasury will be rented as a storeroom and the office of the city treasurer and controller will be located in the first and second floors of the remodelled building which formerly contained fire apparatus.

There will be also one room in the East street building or the section nearest the municipal building proper which will be made into a store room and rented. Excepting for the treasury office the rest of the municipal building will not be remodeled.

It is not known exactly when the movement will take place.

Card of Thanks

We wish to express our appreciation of the sympathy shown, the many kindnesses and the beautiful floral tributes extended by our neighbors and friends of New Wilmington and others during this time of sore bereavement in the death of husband and father.

Croton Champs Are Given Honor

Winners Of Church League Championship Are Banqueted Last Night

SPECIAL PROGRAM IS WELL PRESENTED

Over a hundred fans, friends and members of the Sunday school department of the Croton Avenue M. E. church convened in the church dining room on Tuesday evening at 6 o'clock and paid a fitting honor to the church's representatives in the church baseball league, champions of the league this year. A sumptuous dinner and a most enjoyable program topped the evening for those who had gathered to express their appreciation of the team's work this summer.

Dinner was served at 6 o'clock by the members of the Ladies Aid society of the church to those present, including the honor guests of the occasion, who were members of the team and their wives and friends, Rev. and Mrs. C. C. Mohney, Miss Eva Nicklin deaconess of the church, Mr. and Mrs. Earl Thompson and the Harmany Four quartet. Hallowe'en color tones and novelties were used throughout.

A review of the baseball season was given with each player responding with a few remarks. Phil Colaluca acted as toastmaster for the evening's program. An interesting program was then carried out. The time was occupied with remarks by the Messrs Thompson, Trent, Switzer, Umpire Alec Black and Rev. C. C. Mohney. Then came a solo by Patty Mae Blaine, accompanied by Miss Sylvia Blaine; a cornet solo by Fred Warner, accompanied by Violet Shuler. Mrs. E. J. Switzer entertained the audience with original chatter and jokes while a number of selections by the Harmony Four quartet featured the program.

Following this came a suit-case act with Mrs. James Twaddle, T. C. Armstrong and E. J. Switzer taking part. Pep songs followed. A short skit from Shakespeare's "Romeo and Juliet" by Harry Lackey as Juliet and Foster McEwen as Romeo, accompanied by Mrs. H. H. Lackey, entertained the audience next.

Much credit is due for the great success of the affair to the committee which had charge of the testimonial. Mrs. J. Bert James headed the committee with the following members: Miss Grace Gibson, Mrs. C. Pyle, Mrs. E. A. Cook, Mrs. J. Twaddle, Mrs. E. J. Switzer and the Messrs Switzer, Armstrong, Thompson, Hill and Doerr and the members of the Ladies Aid.

Much enthusiasm was created for a winning team next year.

SEEKING TRACE OF MISSING GIRL

Mrs. Joseph Maslek and Constable Thompson of South New Castle borough have asked the assistance of the police of this city and The News to assist in locating the former's daughter, Nellie Maslek, who ran away from her home, near Savannah church, with a young man named Fred Alley or Allen, they were not sure of the last name. The young man is located in the same district as the girl.

The girl is 15 years of age, had blond hair, was wearing a gingham dress and weighs about 100 pounds. Alley or Allen is described as being 19 years of age, five feet six inches in height and weighs 150 pounds.

Any information relative to the location of the girl will be appreciated.

New Castle Folks Read Political Articles Now In The Public Library

New Castle folk are interested in the coming political campaign if their reading can be called an indication of it.

Such is the message from the public library rooms on North Jefferson street where the hoi polloi gambol to get the low down on the high ups.

In the library are volumes of biography on Herbert Hoover, nomination acceptance speeches of both candidates on the sheets that were printed in The New Castle News, scores of magazine articles concerning the party issues and records of the two men, and various books written on political subjects.

These are the sources of material to which hundreds of New Castle and Lawrence county folks have come to ascertain the facts of the case. Materials available on the campaign are all catalogued for use and the library reports that they are being used.

According to the statement of librarians, the greatest demands are for magazine articles which are now being published in the current magazines. Most all of the callers demand this sort of material.

It seems that some one said something to them, they didn't believe or thought it untrue and they hie themselves away to the book shelves to find out for themselves.

This has been the reason offered by many in coming to the library in the search of materials. It would seem to indicate that a whispering campaign here would be of little profit seeing as how the people want verification for what they hear.

Hundreds of calls have come to the library for the acceptance speeches of both candidates. The printed sheets clipped from The News are in constant demand by the readers who though in the latter part of the campaign still ask to see the speeches.

Standard biographies of Herbert Hoover have been on the library shelves for some time. A newly written biography of the Democratic candidate has been ordered by the library and the recent book on dealings of Tammany has also been ordered.

Roaming Round With Richards

Some News, Some Views, But Mostly Just Observations Of Interesting Things Around New Castle

Ten years seems such a short time looking back at it, and yet when one remembers what was occurring just ten years ago, it seems almost like a dream or a phantasy of the mind.

Ten years ago. Many of the men you see about the city now were far away, up in the Argonne Forest. The Big Push was on and the Allied Line was moving forward on every sector.

It was the beginning of the end for the Germans and their desperate effort to stem the tide of the Allied horde and the High Command of the Imperial Army saw the handwriting on the wall.

That was ten years ago today. Today in New York the builder and the crew of the German airship Graf Zeppeline are being given every honor the City of New York can shower down on them.

Ten years ago the German fleet couldn't get away from shore, so successful was the Allied blockade. In the past week, ships of every nation were on the lookout to give the Zeppelin every aid possible.

And as the great leviathan of the air nosed her way into the Lakehurst port, millions of people sent up a sigh of relief, that the hazardous trip had been accomplished.

Many things can happen in ten years, and among them is the washing away of hates and prejudices engendered by war. In 1918 anybody in America suggesting that the Germans might even be human, would have been under surveillance as an alien. In 1928 anybody who suggests that the Germans can't build good airships is considered cracked.

His Excellency, John S. Fisher, Governor of the Commonwealth of Pennsylvania will be a guest in New Castle on Thursday and Friday. With the Governor will be Frederick A. Godcharles, State Librarian and a host of other dignitaries, including Secretary of Labor James J. Davis and probably Lieutenant Arthur James.

Godcharles, the State Librarian is an interesting chap. Those of you who went to Harrisburg for the now historic football game between Harrisburg Tech and New Castle may remember the umpire of the game. That was Frederick A. Godcharles.

After the game, some of us talked to him about the New Castle team and he was amazed at such a team coming from a high school. If he gets a chance to look over our library here, perhaps he will be just as delighted with the layout that Miss Alice Sterling and her assistants have down there.

Seemed To Help Whole Nervous System, He Says

New Castle Man Claims He Was Greatly Benefited By Ten Herbs.

"Ten Herbs seemed to benefit my whole nervous system," was the recent statement of Mr. James H. Mackey, 1911 Hamilton Street, New Castle, to the Ten Herbs Man, who is at Eckerd's of New Castle, Inc., 30 East

MR. JAMES H. MACKEY

Washington Street, New Castle, where he is daily demonstrating this celebrated new herbal compound. "My general health has been vastly improved, since using your medicine," continued Mr. Mackey, who is 68 years of age, and an ironworker.

"I used to be so nervous that I dreaded to go to work, or meet friends. My appetite was poor, and I was troubled with indigestion. No matter what I ate, gas formed and gave me a bloated feeling. Gas also caused pains and aches. Sometimes I would try to vomit to get a little relief from pain and bloating. I was bothered with loss of sleep, and had a thick mucus in my throat on arising. Bilious spells came on me, and I would become very dizzy. My skin was of a yellowish tint, and I had splitting headaches. There were pains in my back, and I often had to arise at night. In fact, I was in a completely run-down condition.

'I had been reading about Ten Herbs in the paper, and knew some of the persons who stated that they were benefited by your medicine. I made up my mind to give Ten Herbs a trial. I am glad I did, for the first bottle relieved me of gas. My appetite improved, and I was able to digest my food properly. My nerves were quieted, and I could enjoy a good night's sleep. The pains are gone from my back, and I do not have to arise at night. My liver seems to function as it should, and dizzy spells have disappeared. I recommend Ten Herbs unconditionally to anyone who needs a good medicine to build up their health."

The Ten Herbs Man is at Eckerd's of New Castle, Inc., 30 East Washington Street, this city, where he is daily meeting the public and explaining the merits of this medicine.

WHAT A DOCTOR KNOWS ABOUT CONSTIPATION

There IS a way of overcoming the tendency to constipation. And here is how you can PROVE it.
The next time your bowels need any assistance, don't take the first laxative that comes to mind. Take one the druggist can assure you is made with CASCARA. Just as effective as using force, and it's good for the system. Indeed, it helps make good blood. For cascara is nothing but the bark of a tree. The Indians chew this bark, and live to an old age without a day's sickness.
What happens when you cascarize the bowels? They will usually function well for SEVERAL DAYS. One more dose—no larger, and perhaps smaller than the first—and the bowels function of their own accord for a still longer time. Until you don't feel the need of any aid of any sort for weeks-on-end.
So, the only habit you get from cascara is that of natural and normal regularity. How different from things one must usually repeat on the morrow. Cascara is the ideal laxative; and the familiar little candy Cascaret is doubtless its ideal form. Children beg for these tasty tablets, and many men and women wouldn't think of taking ANYTHING else for the purpose. And EVERY drugstore has them.

Hunt Detective; Body Of Woman Is Found, Slain

Pretty South Bend, Ind., Divorcee Is Found Dead In Lime Deposit

DETECTIVE HIRED BY SUSPICIOUS WIFE

Woman And Husband Are Implicated In Case That Startles Officers

(International News Service)

SOUTH BEND, Ind., Oct. 17.—"I paid a detective $50 to get that woman out of South Bend—that's all I know about it."

This is the sum and substance of a statement made by Mrs. Janie Reyher according to police, who with her husband, Charles L. Reyher, is held charged with murder of Mrs. Genevieve Stults, 31, pretty divorcee, whose body was found late yesterday in a lime deposit after her mysterious disappearance seven months ago.

Meanwhile police are searching the country for J. Harvey Smith, operator of a local detective agency, to whom Mrs. Reyher says she paid $50 "to get that woman out of South Bend."

After several hours' grilling last night police reported Mrs. Reyher told them that her husband met Mrs. Stults, who operated a beauty parlor, in 1927. Mrs. Reyher is reported to have "warned them both—but it did not stop."

Reports Riddance.

Smith is said to have been hired to gain evidence on the couple by Mrs. Reyher and on March 28 of this year was paid the $50 to cause the divorcee's removal. On that night Mr. and Mrs. Reyher went to a theatre and Smith used their car. The next day Mrs. Reyher is alleged to have received a report from Smith that the woman "will not trouble you any more."

Police say Mrs. Reyher steadily denied any knowledge of the method planned or used by Smith in getting Mrs. Stults out of South Bend, saying she was only "interested in keeping my husband."

LAWRENCE AUTO COMPANY BUYS LUMBER PLANT SITE; TO ERECT LARGE BUILDING

Announcement was made today by L. C. John, president of the Lawrence Automobile company of the purchase of the property now owned by the New Castle Lumber and Construction company fronting on South Mercer street and running to the Neshannock creek. The purchase of the property of the lumber company gives the Lawrence people title to a frontage on Mercer street of 243 feet on South Mercer street with a depth of 160 feet. This is a trifle shorter as the land approaches the river.

According to the announcement by Mr. John it is the intention of the Lawrence Automobile company to erect a new garage building adjoining the present garage, the new building to be 100 feetx160 feet. The height of the new building will be announced later. It will probably be used for storage with modern winding ramps leading from floor to floor.

The purchase of the land of the lumber company gives the Lawrence the largest area of any automobile company in this part of the state. A remodeling of the present plant will be started sometime in the near future, making the first floor one big show room. The repair shop will be placed on the first floor of the new building.

The plans of the Lawrence Automobile company for their enlargement will show the most ambitious program in the automobile field here, and becomes necessary because of the growth of the business done in the present site.

The New Castle Lumber & Construction company will vacate its present site sometime around April 1, 1929, and will locate their lumber yard and mill on Shenango street.

Two Severely Hurt As Blast Damages Small School House

(International News Service)

CREIGHTON, Neb., Oct. 17.—Two children were severely injured several others narrowly escaped death or injury and a country schoolhouse near here was wrecked when the stove exploded. Authorities today are of the opinion a stick of dynamite had been planted in the stove and the charge let go when the teacher started a fire. BUILT JAIL WALLS, IS NOW PRISONER ON ATTEMPT TO MURDER

(International News Service)

BLUEFIELD, W. Va., Oct. 17.—D. M. Roach, a brick mason, built the walls for the municipal jail here.

Today Roach is a prisoner behind those walls. He is charged with attempting to murder his 5 year old son, Shelby David Roach. The boy is in a local hospital with his skull fractured.

Mrs. Roach swore to charges that her husband threw the boy out the window of his automobile. She found the car abandoned and her son on the road east of here.

Police said Roach was arrested in a drunken stupor and fined on an intoxication charge before the mother appeared to file charges of attempted killing.

S. Hahn said he had been notified.

Smith's Career To Be Depicted Via Radio Broadcast

Rise Of Governor Smith From Oliver Street Urchin To Be Given On Radio

(International News Service)

NEW YORK, Oct. 11.—A complete radio drama depicting the career of Governor Alfred E. Smith from his boyhood days on Oliver street, will be broadcast by the Democratic National Committee next Sunday evening.

Never before has such an elaborate campaign undertaking been attempted.

The drama will be based upon the Smith biography "Up From The City Streets." The radio adaptation has been arranged by Fulton Oursler, famous as the author of "The Spider."

Twenty-seven Broadway celebrities, including Helen Hayes, Peggy Wood, Willard Mack and Rosamond Pinchot, will have a part in the invisible drama. The story begins in Oliver street, in New York's East Side, and ends at Houston and Albany shortly after "The Happy Warrior" has received the Democratic presidential nomination.

The biography will be broadcast over a Columbia chain of twenty stations, from WABC, New York, beginning at 7:30 p. m. Eastern Time.

Big Demonstration In New York Given Eckener And Crew

Graf Zeppelin Fliers Given Big Ovation On Appearance Today

(International News Service)

NEW YORK, Oct. 17.—A tremendous ovation was accorded Dr. Hugo Eckener and the members of his staff on the long flight from Germany today as they left their quarters in the Hotel Warwick to attend the luncheon given in their honor at the Advertising Club.

Several thousand persons, many of whom had stood outside the Warwick for hours, cheered and shouted good wishes as the party emerged from the hotel, and it was only with difficulty that police cleared a way for the fliers.

Dr. Eckener and his companions bowed and smiled in acknowledgment of the ovation and seemed greatly impressed by the warmth of the demonstration.

SLIPS ON WAX FLOOR, GIRL FRACTURES LEG

WAYNESBURG, Pa., Oct. 17.—Miss Frances Veshio of Homer City, Pa., student at Waynesburg college, broke her leg when she slipped on a wax floor as she was starting to rehearse with a dancing chorus for a college play to be given here next week.

The accident was an unusual one, according to those who witnessed it. Miss Veshio, it is said, had not put any weight whatever on the leg which was fractured, the break occurring as she attempted to raise it from the floor preparatory to dancing. She was removed to the Green County Memorial hospital.

Sage Tea Turns Gray Hair Dark

By SHIRLEY BLAKE

That beautiful even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture. You can get this famous old recipe, improved by the addition of other ingredients, for only 75 cents, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.

Presbyterians Discuss Policies Of Synod At Grove City Convention

(International News Service)

GROVE CITY, Pa., Oct. 17.—With business reports out of the way, delegates to the forty-seventh annual meeting of the Pennsylvania Synod of the Presbyterian church today discussed problems dealing with the Synod's policies.

From now until the convention adjourns Oct. 19, the meeting will be the scene of important discussions dealing chiefly with church questions. Whether their will be any recognition of political or economic problems will be decided within the next two days.

The report of the Synod's executive, director of mission work, Dr. C. M. Cleveland, of Harrisburg, was accepted by the delegates. Dr. Cleveland's report showed that the Pennsylvania Synod spent $25,000 in furthering the missionary work of the Presbyterian church. The statewide report did not include special work done by the twenty Presbyteries. Dr. Cleveland touched on the work done in foreign centers by missionaries from Pennsylvania, and the State Synod's philanthropic and charitable work.

Approximately 200 delegates, including clerics and parish officers, are attending the sessions. The church committees reported two days ahead to clear up their reports that were read last night. Dr. F. W. Barr, of Beaver Falls, gave the report of the committee on evangelistic work. Dr. W. A. Ralston, of Vandergrift reported on church appropriations.

Dr. R. B. Jack, of Hazelton, moderator who presides over this synod, is to be succeeded in 1929 by Dr. George T. Atwell, of Washington, Pa. Dr. Atwell was elected over Dr. Walter E. Greenway, president of Beaver college for women, Beaver, Pa.

Dr. W. C. Ketler, president of Grove City college, delivered the address of welcome. This was followed by reading of reports.

ASTRINGENT

So many thousands of women have proved the value of Listerine as an astringent that we are glad to pass the good word along.

The cost of Listerine, compared to most astringents, is very little, yet in effectiveness you would go a long way before finding its equal, especially for oily skins. Gently it contracts open pores, tightens sagging muscles, and leaves the face with a delightful sense of coolness.

Let us send you our free booklet on the subject of personal hygiene. Contains a vast amount of helpful information as to the care of the person and the maintenance of health. TREE 500 YEARS OLD BURNED

A yew tree, 500 years old, a landmark for generations and mentioned in history when Tintern Abbey, in the Wye Valley of Ireland, was in its glory, was recently burned. The tree was in the chapel graveyard near Tintern. An effort to rid it of bees ignited the trunk, which burned for three days.

Bell Employes From District Assemble Here

Hear Officials Of Company Discuss Telephone Service At Cathedral

MANY AREAS SEND DELEGATION HERE

More than 300 members of the telephone organization from New Castle, Ellwood City, Sharon, Greenville, Grove City, Rochester, Beaver Falls, Midland and other points in this district were addressed here by Philip C. Staples, vice president in charge of operations of the Bell Telephone Company of Pennsylvania, last night.

The meeting was held at the Cathedral and was arranged in connection with an inspection trip of the company's plant and equipment Mr. Staples is making in this part of the state. Included in the party were F.

F. J. CHESTERMAN
Vice-President and General Manager

J. Chesterman, vice president and general manager; C. R. Freehafer, general commercial manager; H. C. Kunkel, general plant manager; W. B. Brush, general traffic manager; J. R. MacGregor, chief engineer; G. B. Detz, assistant auditor of receipts; W. E. Quinby, assistant to vice president and general manager; C. Montague, division manager; H. R. Clegg, division plant manager; E. A. McDonough, division traffic manager, and M. F. Dull, general sales supervisor. The meeting was presided over by W. R. Bingham, district manager.

Mr. Staples, whose headquarters are in Philadelphia, was formerly division manager of the company's western Pennsylvania area, and is intimately

familiar with the territory and the personnel in this district. In his comments to the local telephone force he was particularly commendatory about the service that is being furnished by them.

"You are giving a good grade of service here in New Castle, a service that has been vastly improved since I was in charge of the commercial activities in this area," he said. "New Castle has kept pace with the vast improvements in the telephone service throughout the nation and calls are connected here with the same speed and efficiency as they are in any city in the United States. This is due not only to the new and improved equipment and the progress made in the telephone art, but to a great extent to the conscientious efforts and the esprit de corps of the men and women who serve the telephone-using public here.

"The members of the telephone organization have not only been interested in furnishing as good service as is humanly possible, but they have taken active interest also in the development of the system here. Their efforts have shown worthwhile results. Five years ago there were only 9,298 telephones in service in New Castle. Today more than 11,670 are connected with the local switchboard. This increase is a fine compliment to the excellent service you have been giving.

"Since these performances have merited the confidence of the telephone-using public, it is your obligation as well as your duty to continue to render a high quality service.

"Improvements are being made by our engineers in perfecting the mechanical apparatus used in connecting telephones. They have improved the equipment to the point where it is a mechanical marvel. Every day we are overcoming the ravages of nature and are engaging in a wide building program throughout the state that will make our lines so sturdy that they will be able to defy sleet, snow and wind storms which in years gone by have been disrupters of the service. Cables, in which hundreds of wires are protected by leaden sheaths strung on sturdy poles, now connect your city with the rest of the telephone-using world. This means that in fair weather or foul telephone subscribers here are able to talk with Pittsburgh, Philadelphia, Washington, San Francisco, London, Paris—or any one of the 26 million telephones throughout North America and Europe that are either a part of the Bell system or can be connected with it. With such equipment it is up to us to see that all phases of the service, whether through the switchboard or across the counter in the business office, are handled to the best of our facilities."

IF KIDNEYS ACT BAD TAKE SALTS

Says Backache Often Means You Have Not Been Drinking Enough Water

When you wake up with backache and dull misery in the kidney region it may mean you have been eating foods which create acids, says a well-known authority. An excess of such acids overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels, removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate sluggish kidneys, also to neutralize acids in the system, so they no longer irritate, thus often relieving bladder weakness.

Jad Salts is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink. Drink lots of good water.

To the 5000 who daily become owners of the new Ford car

THE service obligation of the Ford Motor Company and its dealer organization is now growing at the rate of 5000 cars a day. It is to these new car owners that this message is addressed.

The new Ford is a remarkably fine car for one that costs so little. It is simple in design, constructed of the finest materials, and built to unusually close measurements.

These are the reasons it performs so wonderfully. These are also the reasons its service requirements are so few and the up-keep cost so low.

When you receive your new car, the dealer will explain the simple little things that should be attended to at regular intervals to insure the best performance. He will also tell you something of his own facilities for doing this work promptly and at small cost.

With the purchase of your car, you are entitled to Free Inspection Service by your dealer at 500, 1000 and 1500 miles. This service is due you and we urge you to take full advantage of it. Proper care during this breaking-in period means a great deal to the life of your car.

Included in the Free Inspection Service is a check-up of the battery, the generator charging rate, the distributor, the carburetor adjustment, lights, brakes, shock absorbers, tire inflation and steering gear. The engine oil is also changed and chassis lubricated.

No charge whatever is made for labor or materials incidental to this inspection service, except where repairs are necessary because of accident, neglect, or misuse.

The labor of changing the engine oil and lubricating the chassis is also free, although a charge is made for the new oil.

We believe that when you see the good effects of this inspection you will continue to have it done regularly throughout the life of your car.

You will find the Ford dealer very helpful in keeping your car in good running order for many thousands of miles at a minimum of trouble and expense.

He operates under close factory supervision and has been specially trained and equipped to do this work promptly, thoroughly and economically.

Lewis Kokki Held For December Court

Lewis Kokki, charged in the court of Alderman Walter T. Hamilton by Chief of Police C. C. Horner with operating a motor vehicle while under the influence of liquor, was given a hearing Tuesday afternoon. Following the testimony presented by the commonwealth, Alderman Hamilton held Kokki for the December term of court. Kokki provided bail in the sum of $500 for his appearance at court.

AVOID UGLY PIMPLES

A pimply face will not embarras you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take nightly for a week. See how much better you feel and look. 15c, 30c, 60c.

Story Of Zeppelin's Arrival Over New York City Is Told In Letter From Johnny Craft

The arrival of the giant Graf (Count) Zeppelin over New York city must have been one of the most wonderful sights of 1928, according to a letter received today from Johnny Kraft, now a student at Columbia university and formerly a member of The News staff.

Mr. Kraft's impressions of the airship follow:

The populace of New York City, numbering some millions of people, enjoyed a new thrill this afternoon when the Graf Zeppelin, the largest airship in the world, flew over this city at four p. m. prior to the completion of its flight from Friedrichshafen, Germany to Lakehurst, New Jersey. It marked the inauguration of passenger air travel between Europe and America and will go down in history as one of the outstanding events ever recorded.

Large throngs of busy New Yorkers peered skyward as the giant silver air cruiser came into view, led by an escort of sixteen aeroplanes which appeared like toys along side of the huge dirigible. Announcement that the Zeppeline was over lower New York was broadcasted on the radio and people in the uptown district were immediately on the look-out for the big ship.

I had just finished my law class at Columbia University and had emerged from the subway at 86th street and Broadway when I noticed everybody scanning skyward. It was exactly 4:03 when two planes made their appearance from down-town, then three more planes were visible, soon an entire squadron was overhead and the huge dirigible then came into view. It was the most wonderful sight I had ever seen. The giant cruiser, finished in a beautiful gray silver, was travelling low and at a slow rate of speed. It's course uptown was over Fifth avenue, through Central Park, up to 89th street, to the Soldiers and Sailors Monument at Riverside Drive, thence down the Hudson River to New Jersey and to Lakehurst.

The huge compartment of the dirigible Graf Zeppelin was clearly visible to the naked eye and her passengers could be seen viewing the metropolis of New York. The roar of the motors of the aeroplanes that accompanied the Zeppelin drowned out the noise of the huge ship and its motors appeared silent. The ship travelled very smoothly through the air and was a most enjoyable spectacle.

As the Zeppelin circled near Riverside Drive and headed towards Lakehurst the large hole in her port horizontal stabilizer was plainly visible. However there was no hint in the smoothness of her maneuvers that the damage done by the wind had slowed her seemingly tireless mechanism.

New York's millions of people would have been sadly disappointed had the Graf Zeppelin not put in an appearance here before being placed in the hangar at Lakehurst. All day Sunday thousands and thousands of men, women, and children eagerly searched the skies for sight of the world's greatest airship. Down at the Battery in the afternoon exceptionally large crowds waited impatiently from early morning until darkness fell. Signs warning people to stay off the grass at Battery Park were disregarded and everybody roamed at will. I had occasion to go over to view the Statue of Liberty and the ferry taking the people over to the island was jammed. People waited in line for hours to climb the statue yesterday with hopes of getting a glimpse of the huge dirigible while up in the crown of the huge monument. Reports today were to the effect that two thousand people visited the top of the Woolworth tower Sunday to see the dirigible if it came over the city during their ten minute stay there. As dusk fell people wended their way homeward, somewhat disappointed, but still high in their hopes that they would see Hugo Eckener's wonderful ship—and their wish was fulfilled this afternoon.

College Y.W.C.A. Will Start Drive For New Members

Westminster Organization To Have Installation On October 24

(Special To The News)

NEW WILMINGTON, Pa., Oct. 17.—Under the direction of Miss Lois Wagoner of Sharon, the Westminster College Y. W. C. A. will start its annual membership drive on the campus. The drive will continue until October 24, when the installation ceremonies of the organization will be held.

Tonight in the United Presbyterian church a joint meeting of the Y. W. C. A. and the college Y. P. C. U. organizations will be held when a general get-acquainted party will be the feature.

The Y. W. C. A. is planning a number of activities for the year, chief of which will be an operetta to be presented some time in December. Miss Ruby Guilliams, teacher of public school music in the conservatory, will direct the operetta and will be assisted by Miss Isabel McConagha, a graduate of Westminster who is now taking special work in biology and chemistry.

Miss Adelaide Werner To Assist Girl Scout Council And Scout Leaders

Miss Adelaide Werner, regional director for the Girl Scouts, will be in New Castle October 21-24 for the purpose of assisting the local Girl Scout Council and scout leaders. Miss Werner has just returned to this region after having been on the staff at the National Training Camp in Colorado, preceding the national convention.

At the convention which just adjourned at Colorado Springs the following national officers were elected: President, Mrs. William Hoffman of Barrington, R. I.; vice presidents, Mrs. Herbert Hoover, Washington, D. C., Mrs. Arthur Choate, New York City; Mrs. Julius Rosenwald, Chicago; Mrs. Vance McCormick, Mrs. Frederick Edey, New York City; Mrs. A. Clifford Shinkle, Cincinnati; and Mrs. William Chester, Milwaukee; Mrs. Julius Barnes, New York City, recording secretary; and Mrs. Ed. Rickard, New York City, treasurer. Mrs. Nicholas Brady of New York City, was re-elected chairman of the board of directors.

Miss Werner will meet with the local Girl Scout council next Monday evening at 7:30 at the Public Library, and with the Scout Leaders' Association, Tuesday evening at 7:15 at Girl Scout headquarters in the Y. W. C. A. building.

Company B Non-Coms Will Meet Tonight

Drill Schedule Will Be Studies; Vital Business To Be Taken Up

A meeting of Company B, Pennsylvania National Guard, Non Commissioned Officers Club, will take place this evening at 8 o'clock at the armory on Neshannock avenue, it is announced today.

The new drill schedule will be studied and matters vital to the strength of the organization will be taken up. Every member of the organization is asked to attend the meeting.

The most influential man doesn't make the laws or write the songs. He makes the pictures for the magazine ads.

Know Her?

You ought to know this lovely New York City girl because her blonde beauty has been displayed on so many magazine covers. She's Marion Dahl, 35 Clarkson St., Brooklyn. Artists say she's a "type!" They fairly rave over her delicate flesh tints and the golden glory of her hair!

Miss Dahl says: "Everyone I know, tells me how wonderful my hair looks, nowadays. I don't feel like it's a personal compliment, however; I take it more as a compliment to the method I'm using to care for it. It's the rage among girls here in New York. All you do is put a little Danderine on your brush each time you use it. My hair was wiry and hard to keep in place, but Danderine makes it soft and easy to dress and holds it like I arrange it, for hours! My scalp fairly tingles with vigor after I use it, and it keeps my head so clean I don't need to shampoo half so often. It brings out the color of my hair marvelously, making it fairly glisten!"

Every application of Danderine tones and refreshes your scalp. It removes the oily film from each strand and makes dull, stringy hair gleamy, soft and easily manageable. It dissolves dandruff and keeps it out of your hair. It isn't sticky or oily. It doesn't show. All drug stores have the generous 35c bottles.

Bandits Stage Daring Robbery Of Radio Truck

Radio Corporation Truck And $30,000 In Supplies Are Stolen In Chicago

(International News Service)

CHICAGO, Oct. 17.—Six bandits last night held up a driver for the Radio Corporation of America and rode off with his truck and $30,000 worth of radio equipment.

The driver, Louis Meidolson, told police the bandits, riding in a limousine, forced his truck to the curb at Thirty-Sixth street and South Western avenue. While two of them forced him to ride with them, the others mounted the truck and rode away. Three hours after being held up Meidolson was put out within four blocks of his home. He remembered the limousine license plate number which police reported was stolen last week.

LEESBURG

TO REBUILD CHURCH

Plans for the rebuilding of the Leesburg Presbyterian church, which recently was burned to the ground, are now under way, and many offers of sympathy and help have been encouraging to the board of trustees of the institution.

The Presbyterian Book Store at Pittsburgh has donated 100 hymn books to the church.

INSTALLATION SERVICES

Installation services were held on Tuesday evening at the United Presbyterian church. The Rev. Lloyd and his family have made a fine impression on the congregation, and are entering very heartily into the reconstruction plans. Sunday school and church services are being held at the school house.

BRICK FROLIC

There will be a brick frolic at the church yard Saturday afternoon, October 20. As many men as can should be present so as to clean up the debris before the cold weather sets in. Anything that is done for the church is appreciated by the minister and the congregation. A committee has been formed to solicit former members of the church.

STRUCK BY AUTO

Mr. and Mrs. Harry Hunter were injured when their car was struck by another car on the Mercer-Grove City road Saturday.

Mrs. Hunter was thrown through the windshield and was cut on the forehead. She was taken to the Mercer hospital where her wound was taken care of. Mr. Hunter's arm was slightly injured.

LEESBURG NOTES

Jack Galloway of Napoleon, Ohio, spent the week end here.

Ella Scollard and Goldie Simpson spent Saturday night at New Castle.

Mr. and Mrs. C. B. White and family of New Wilmington, were Sunday visitors here.

Ivan Blevins of Volant, was a recent visitor with his sister, Mrs. Hollis Johnston.

Mr. and Mrs. Harold Armstrong and family of Warren, visited relatives here Sunday.

Mrs. James Hancock of New Castle were visitors at Paul Macom's Wednesday evening.

Relatives of Mrs. Louisa Rodawalt Mercher attended her funeral which was held Friday.

Rev. and Mrs. Dickenson of Plaingrove were guests of Rev. and Mrs. Lloyd, Saturday.

Mr. and Mrs. A. J. Kaufman and daughter spent Sunday with Mr. and Mrs. Charles Simon at Grove City.

Mr. and Mrs. Dick Burgess of New Castle and Miss Lottie Burgess were Sunday visitors at Paul Macom's.

Mr. and Mrs. Gerald Foster and their children, Fredrick and Harriett of McDonald, spent the week end at Harold Minich's.

Mr. and Mrs. T. J. Armstrong entertained the ministers and their wives after the installation service Tuesday evening.

Miss Isabell Davidson will fill the vacancy caused by the resignation of Gilmore Martin who has accepted a position in a Grove City bank.

Mrs. Lawrence Wardman and Mrs. Monas Collins are patients at the Mercer hospital. Both are doing as well as could be expected at this writing.

Mrs. John Bestwick and Hazel and Mary Bestwick of the Mercer-Sharon road, and Mr. and Mrs. Robert Williams of Grove City were Sunday visitors at Samuel Oakes.

Mrs. J. C. Masters and daughter Elma and Mr. and Mrs. Will Hodge of New Castle were Sunday guests of Mr. and Mrs. Harold Minich. Mrs. Hodge remained for a few days visit.

The present campaign has more whispering than usual, just as the present toothache is the worst you ever had.

Mr. Mellon denies a rumor that he once controlled the liquor business. He doesn't do it even now.

The Aviator
Absolute dependability is aviation's first law and that is why I use dependable Champion Spark Plugs.
Champion is the better spark plug because it has an exclusive sillimanite insulator specially treated to withstand the much higher temperatures of the modern high-compression engine. Also a new patented solid copper gasket-seal that remains absolutely gas-tight under high compression. Special analysis electrodes which assure a fixed spark-gap under all driving conditions.

Beginning October 4th and every Thursday thereafter the Champion Sparkers will broadcast over the Blue Network of the National Broadcasting Company from 8:30 to 9:00 p. m. Eastern Standard Time.

Glazing and Caulking Compound
Made in Gray and Black—Knife and Gun Consistency
FOR glazing greenhouses, factory windows, skylights, etc. Also caulking around door frames, window casings, glass domes, etc.
WILL adhere to glass, wood, brick, concrete, iron or in fact any surface.
OUR Glazing and Caulking Compound is a scientific prepartion far superior to putty for caulking and glazing work. It is a combination of heavy elastic, waterproofing oils and Canadian asbestos fibre, making a finished product that is absolutely water and air proof, very adhesive and elastic, will not crumble and become brittle like putty.
AFTER it is applied, it films over in a few hours time, protecting the material underneath the film so that it remains pliable and elastic, expanding and contracting with the heat and cold. Will not crumble or break away from the surface. It is not effected by heat, cold or moisture, fumes, acids or alkali. The sun, rain or wind has little effect on the Compound, as it resists the deteriorating changes in weather conditions.
ORDINARY putty becomes hard and brittle, is not elastic, will not expand and contract with the surface over which it is applied, but crumbles, breaks loose, falls out, causing cracks and crevices to appear, allowing the ingress of cold air.
BROKEN glass can easily be removed, as our Compound does not dry hard as putty.
IT is easy to apply either with a putty knife or through a glazing gun.
WHEN a large surface is to be glazed, our automatic glazing gun will save considerable labor. One man using this gun will do as much work as three men using a putty knife.

Conference Is In Progress

Second Session Of U. P. Workers' Conference Held Tuesday Evening

MEETING TONIGHT IN Y. W. AUDITORIUM

A noticeable increase in the number of persons in attendance was seen at the second evening's conference of the United Presbyterian workers' school which took place in the Second U. P. church Tuesday evening. Conferences were held for young people's, missionary and Sabbath school workers.

Dr. S. E. Irvine, pastor of the First U. P. church, delivered the evening address on evangelism at the regular session of the workers. His discourse concerning this subject was immensely enjoyed. Following the opening meeting, the church members convened in different rooms for separate conferences.

The missionary group with Mrs. A. J. Randles presiding, discussed topics of interest to society work. Talks were given by Mrs. Margaret Hanna on "The Relation of the Local Society to the W. G. M. S." and by Mrs. C. H. Milholland on "What Can Be Expected From a Monthly Missionary Meeting." General discussion followed. Miss Myrle Patterson, president of the Beaver Valley Y. P. C. U., conducted the young people's session. Work concerning the various committees of young people's organizations was stressed there. The Bible school members again heard J. Brad Craig, secretary of Bible school work for the United Presbyterian church, in their conference. He cited the qualifications for a good teacher and held a discussion afterward.

Each conference was enjoyed, and the crowd that appeared for the meetings of last evening signifies the success of the instruction conferences. Another conference will be held this evening at the Y. W. C. A., with conferences for church officials, Bible school workers and young people. Mr. Craig will conduct the Bible school meeting, Miss Patterson the young people and Dr. H. J. Rose of New Wilmington that of the church officials' session.

On Thursday night the conference will be brought to a close at the Highland U. P. church.

FORM AERO CLUBS AT WASHINGTON

Tuesday Afternoon Was Club Day At New Junior High School

Tuesday was club day at the new George Washington Junior high school, and according to reports fully 90 per cent of the school's students took membership in one club or another. Twenty-four organizations were formed yesterday.

Chief among those organized during the afternoon club period were the three aviation clubs, one for seventh graders, one for eighth graders and another for students of the ninth grade. The purpose had been to organize just one aero group, but the number of students that turned out for membership necessitated the formation of three different groups. More than a hundred students are enrolled in the entire three clubs.

Others formed were the Latin club, junior dramatic club, success club, senior dramatic club, book lover's club, domestic science club, science club, art club, history club, story hour club, travel club and a number of others.

The clubs will meet each Tuesday afternoon during the club period with the respective supervisors in charge. The aims are to create a better spirit among the students, to have worthy objectives and to provide sufficient interest for the enrolled students.

Previous to the organizing each student was asked which club he would desire to join and in this way it was possible to form clubs that were of interest to the students.

SEVENTH WARD NEWS

M. B. Club Members Have Kid Party

Party Event At Hyde Home, Other News Notes Of Seventh Ward

Misses Frances Hyde and Helen Woods were associate hostesses to the members of the M. B. club at a party Tuesday evening in the former's home on N. Cedar street. It was a kid party and all members, 15 in number, were present.

During the evening there was a business meeting and officers were elected. New club officers are: President, Frances Hyde; vice president, Florence Hilliard; secretary, Helen Woods; treasurer, Virgil Wettich; poet, Frances Frost.

After the business meeting the evening was spent socially in music, dancing and chat. At a seasonable hour dainty refreshments were served by the hostesses, Frances Hyde and Helen Woods.

The next meeting of the club will be on Tuesday evening, November 13, at the home of Sarah Diffley on N. Ashland avenue. Effie Stickle will be associate hostess.

MOVE TO TOLEDO

Mr. and Mrs. W. L. Treadwell and family of 510 N. Cedar street moved on Tuesday to Toledo, O., where they expected to make their home. Mr. Treadwell has been working in Toledo for some time.

CLASS MEETING

The Sabbath school class of the Mahoning M. E. church taught by Mrs. M. M. Tindall had its monthly social meeting Tuesday evening in the church parlors. Approximately 30 ladies were in attendance. During the evening a brief business meeting was conducted, the Bible study was in charge of Mrs. Tindall and then a social time, spent in chat. At a later hour delicious refreshments were served in the church dining room. Mrs. William Stephenson's unit serving. Hallowe'en colors were carried out in decorations.

O. R. C. LODGE

The W. A. G. Club members are being entertained this evening at a six o'clock dinner at the home of Mrs. W. E. Horner on West Madison avenue. Mrs. A. J. Hand is associate hostess.

C. H. U. M. CLUB

Mrs. I. A. Donnan of Sumner avenue will receive the members of the C. H. U. M. Club in her home this evening.

GIRLS' KENSINGTON

The Girls' kensington will be entertained Thursday evening at the home of Mrs. David E. Bender on West Madison avenue.

LEAVING FOR MICHIGAN

Mr. and Mrs. W. Greyson Coates of North Liberty street, accompanied by Miss Josephine Evans, who has been a guest at the H. G. Coates home the past three months, left today for Constantine, Mich., where they will visit with the former's brother, J. W. Coates, and family and also with Hiram Coates at Maywood, Ill. They expect to be away a week. Miss Evans is en route to her home in Windsor, Colorado.

School Windows Suggest Hallowe'en

At the present time some of the windows at the Mahoning school building are suggestive of the Hallowe'en season. Cut-outs of black cats, pumpkin faces in orange, quarter moons, stars in orange, red apples, orange and black witches and bats grace the windows at the present time. Windows in one room are also draped in orange crepe paper with some cut-outs. Windows decorated are those in which the small children have classes.

The change in seasons and approaching special days can usually be noted by the change in cut-outs on school windows.

CHANGE RESIDENCE

Mr. and Mrs. William Pritchett of the West Pittsburg road have moved to East Madison avenue.

Darlington Youth Is Lodged In Jail On Serious Charge

DARLINGTON, Pa., Oct. 17.—Leroy Brown, aged 19, of Darlington was lodged in the Beaver county jail yesterday in default of $1,000 bail, as a result of trying to force his attentions upon Miss Mattie Gordon, aged 19, also of Darlington. Brown is alleged to have seen the girl walking along the road toward East Palestine. Miss Gordon says he stopped her and paid her 30 cents which he owed her, after which he asked for a kiss. She refused him, and shortly afterwards, she says, Brown attacked her, threatening to kill her. Herbert Elliott, who happened along the road, rescued Miss Gordon and held Brown until a state policeman was summoned.

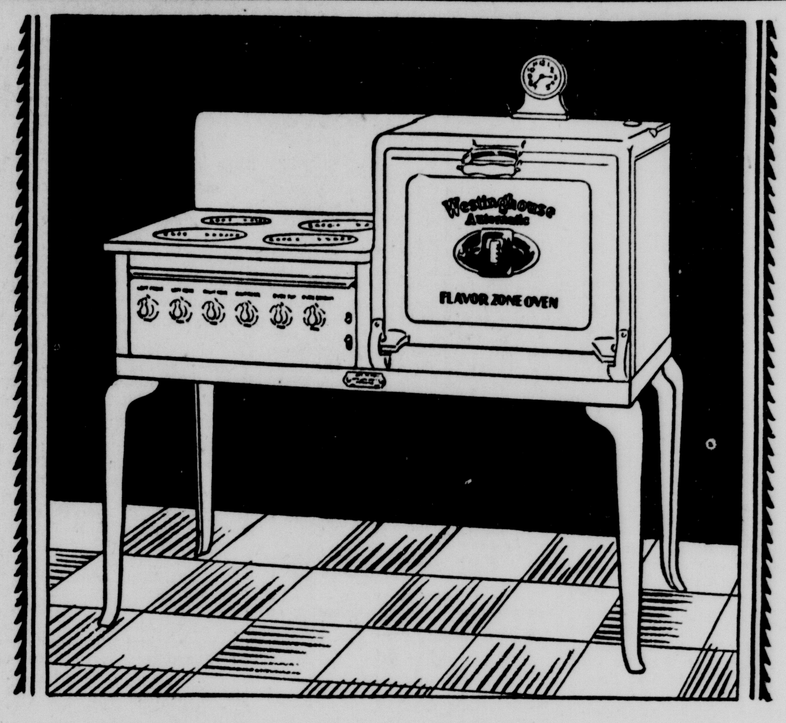

Operator's License Revoked By State

Police headquarters here has received notice from the State Highway Department to the effect that the operator's or driver's license of Grant Shoaf for 1928 has been revoked and that he is neither permitted to operate a motor vehicle or secure another driver's license until October 15, 1929. His license was revoked because of the fact that he entered a plea of nolle contendre at a recent term of court to the charge of operating a motor vehicle while under the influence of liquor.

North Beaver Grange Will Meet Friday

10 MINUTES IN THE KITCHEN
. . . AND YOU CAN SERVE
A COMPLETE OVEN DINNER

That's all the time you need to take the food from the refrigerator, place it in the cold oven, and make the two simple adjustments necessary for "Flavor Zone" cooking. And that's all the time it takes for you to get a delicious, nourishing oven dinner this most modern way!

The oven and oven control have been especially designed to make "Flavor Zone" cooking completely automatic. It requires no watching or tending. You don't have to touch the Westinghouse Electric Range from the time you put the food in the oven until it is ready to serve.

You can be visiting, marketing, or at a club meeting when the "Flavor Zone" oven automatically turns on the current and starts cooking. When the best browning temperature has been reached, the current is shut off automatically and cooking is finished by retained heat. You never have to give your dinner a single thought.

THE 70TH CONGRESS

Too much emphasis cannot be placed on the election of members to the Senate and House of the National Congress at this time.

The first session of the 70th Congress convened the first Monday in December, 1927, and adjourned Tuesday, May 29, 1928.

The first session is indeterminate in length. It is commonly called the "long session". The second session begins on the first Monday in December of the following year and automatically comes to an end on March 4 of the year following, when the two-year period for which each House and one-third of the Senate is elected has expired. This is known as the "short session".

The withholding of the oath of office from Senators-elect Smith and Vare left the Republicans in the Senate this year with 46 votes and the Democrats with 47. Henrik Shipstead of Minnesota, member of the Farm-Labor party, decided to vote with the Republicans on the organization of the Senate. This gave the Republicans 47 votes to 47 for the Democrats. The right of the vice president to vote in case of a tie give the Republicans a majority of one.

The lines being so closely drawn makes this an unusually important election. March 4, following his election, a member of the House or the Senate goes on the rolls as a member elect of the body to which he has been elected. This means that he draws his salary from that date, has a right to occupy office rooms in the House or Senate office building and is authorized to use the free mail or franking privileges on all mail he sends out relating to official matters

However, he is not a member of any committee until a session of Congress either regular or extraordinary, begins, since, until the House and Senate organize, no committees are in existence.

Therefore, 15 months pass before a member of Congress elected this year actually takes his seat.

May Choose Case As Successor To Benjamin Strong

Acting Governor Of New York Federal Reserve Bank May Be Elevated

BOARD MEETING SET THURSDAY

No Important Changes Expected In Financial World By Death Of Strong

By ROBERT S. THORNBURGH
International News Service Staff Correspondent

WASHINGTON, Oct. 17—The death of Benjamin Strong, Governor of the New York Federal Reserve Bank is unlikely to result in any important changes either in domestic or international policy, according to those closely identified with government fiscal affairs, today.

At the Federal Reserve Board it was pointed out that J. H. Case, deputy governor of the New York bank, has been acting governor for nearly two years, during the illness of Strong, and that he has guided the affairs of the institution in a period of important shifting of both domestic and international policy.

May Select Case

Some members of the Reserve Board held it likely that Case would be selected governor of the New York bank, although there is a number of possibilities. The next scheduled meeting of the bank board, which selects the governor without advice or approval of the Federal Reserve Board, is Thursday, the day of Strong's funeral.

G. H. Garrah, widely known banker, is chairman of the board of the New York bank, and Federal Reserve agent, a post substantially as important as the governor. James S. Alexander, chairman of the board of the National Bank of Commerce of New York, is the New York district member of the Federal Advisory council.

There is even the possibility of the selection of a member of the Reserve Board as governor of the New York bank, although this is considered remote. There was a precedent in the appointment by the Boston bank of W. P. G. Harding, as governor. He was a former member of the Reserve Board.

Strong worked closely with Secretary of the Treasury Mellon in shaping the country's financial policy. He has been given credit for initiating a policy of scientific manipulation of re-discount rates in United States and abroad to bring about a natural flow of gold away from this country to the gold-impoverished central banks of Europe.

State Sportsmen Should Be Careful

"Careless handling of a firearm in the woods is sure to make you a game law violator. It may make you a murderer."

Thas was the final warning issued today by John B. Truman, executive secretary of the Board of Game Commissioners on the eve of the hunting season in Pennsylvania.

Truman's appeal for care in handling firearms was based he said on the increasing list of fatalities which each hunting season brings.

He asserted that there is no excuse for a hunter mistaking another human being for game and that a hunter who when it is too late, claims he thought a man was a groundhog or a rabbit, is a menace to all sportsmen.

The commission intends to investigate all hunting accidents and assist in prosecution when such action is warranted Truman said.

African Methodist Church Conference Is Opened Today

(International News Service)

Canonsburg, Oct. 17.—The sixty-first annual session of the Pittsburgh conference of the African Methodist Episcopal church opened here today with more than 100 ministers and laymen in attendance. Bishop W. H. Heard, of Philadelphia, presided.

The morning session was given over to organization while committee reports featured the afternoon program.

Rev. W. S. Becks, of Payne A. M. E. church here acted as welcoming host.

Red Cross Seeks Aid For Number

Several Women Make Request To Be Provided With Employment

Employment for a number of men and women and one young man is being sought at the present time by the Lawrence County Chapter of the American Red Cross, whose headquarters are located in the Temple building, East North street. Pat J. Dempsey, executive secretary of the organization, kindly asks anyone who might be able to provide work for the applicants to call headquarters as soon as possible.

A request for house work has been received from two women. One, a widow of an ex-soldier, desires work where her two children can be accommodated. Another, also a widow of an ex-soldier, has been unable to work for the past year due to illness. She receives no compensation from the government.

One man with a wife and four children is badly in need of work. He wants work, no matter what kind it is. He is the sole support of his family. One young man of 22 years of age is seeking employment in a local restaurant.

Mystery Cloaks Whereabouts Of Jolson And Bride

(International News Service)

NEW YORK, Oct. 17.—Whether Al Jolson and his bride, Ruby Keeler, foremost among tap dancers, were here, in Paris or on the ocean was Broadway's biggest mystery today.

The Mammy singer's new mother-in-law, Mrs. Nellie Keeler, was on the pier. The Ile De France came in but the honeymooners did not. Nor was there any message from them.

There are some along the main stem, however, who whisper that Jolson and the cute Ruby slipped off the liner unobserved.

Borah Starts On Tour Of South To Aid Republicans

(International News Service)

CHARLOTTE, N. C., Oct. 17.—Senator Borah, of Idaho, selected by the Republicans to trail Gov. Al Smith through the south and border states, brings his campaign here tonight. He speaks tomorrow in Chattanooga, Friday in Louisville and on Oct. 22 in Dallas, Texas.

Odd Fellows Open Erie Convention

(International News Service)

ERIE, Pa., Oct. 17.—With an address of welcome by Mayor Joseph C. Williams, the Pennsylvania encampment of odd fellows opened here today. The delegates were to be taken on a tour of the city this afternoon, following their registration.

The Odd Fellows' Council of Patriarchs militant completed their three-day convention yesterday. The council's session are always held prior to the state convention. A heavy downpour of rain married the Patriarchs' parade.

United Presbyterian Conference Is Ended

(International News Service)

INDIANA, Pa., Oct. 17.—Committed on their views of social reform, delegate ministers of the United Presbyterian church of North America returned to their pastorates today following the close of the 77th session of the synod of Pittsburgh here.

In a report submitted at the closing session of the convention the committee on reform commended the activity of judges, district attorneys and city, state and county officials in investigating lawlessness and punishing lawbreakers. Prohibition Administrator John D. Pennington was especially commended for his prohibition enforcement activities in western Pennsylvania.

The committee went on record as favoring the enactment of a uniform divorce law by all states and also recommended stricter enforcement of federal and state dry laws.

The report ended with a recommendation that members of the churches composing the Pittsburgh synod, acting in their capacities as citizens of the state, cast their ballots in the coming elections for "such men as are committed to upholding the integrity of the 18th amendment and supporting legislation and are committed to enforcement of prohibition."

The 1929 convention of the synod will be held in Leechburg, the home of the new moderator, Rev. J. O. McGowan.

Y. W. C. A. Board Meets Tuesday

The board of directors of the Young Women's Christian Association had their monthly meeting Tuesday evening in the association building. During the meeting business matters of the association were transacted and monthly reports were made by the various secretaries of the association.

Prevention Week Was Successful

Fire Chief Charles H. Lynn Makes Report Of Week's Activities

LOSSES DURING WEEK AMOUNT TO NOTHING

One of the most remarkable records for a Fire Prevention week which ever was made by the city of New Castle is the one which is turned in this morning by Fire Chief Charles H. Lynn and the New Castle Fire department.

Chief among the items of interest in the report is the fact that for the entire week, the fire losses to the city were absolutely nothing. It is true that eight alarms were sounded during the week, but all of the fires were of such a minor nature, or were so well controlled that no loss was sustained.

The first alarm for the week was sounded Monday, October 8, when the chief answered a call which took him to a home where the electric coffee percolator had been left on. The second alarm on Wednesday, October 10, called the department to Euclid avenue, where a boys' shack burned. The third came Thursday, when the department answered a call to an auto truck loaded with old rope, which was burning. This was extinguished with no loss. A small fire at the New Castle Box company was also reported. No damage was done. Again on Thursday, the old barn located on the Gilfillan property on North Jefferson street burned, but no loss was sustained. The same evening, the department was called to put out a weed fire on a vacant lot abutting on Leasure avenue, with no damage to property. The final fire of the week took place Sunday evening, October 12, when number 6 department extinguished a dump fire on the McCleary avenue extension.

"To me this record seems very good," states Fire Chief Charles H. Lynn when commenting on the week. "It is not often that a city the size of New Castle, with an estimated population of over 53,000, can go for an entire week without a fire loss. And when one considers that the area of the city is slightly more than eight and one half square miles, it is doubly significant."

The city is protected by seven hose and chemical companies, three of which are pumpers. There is also an Airial hook and ladder truck, and a new service truck, which is expected to be delivered this month, which will have ladders extending to 250 feet and a 750 gallon per minute pump, with a 70 gallon booster pump.

Big Semi-Rigid Dirigible Now Back In Hangar

RS-1 Largest Semi-Rigid Dirigible Is In Illinois Hangar

(International News Service)

SCOTT FIELD, Ill., Oct. 17.—The RS-1, largest semi-rigid dirigible in the world, was back in its hangar today after a battle with strong winds yesterday and last night.

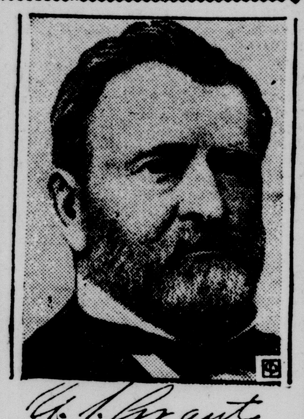

The craft, in command of Capt. William Kepner, with a crew of 16 men, left here a week ago for the Legion convention in San Antonio. The RS-1 was in the air approximately 35 hours on the return trip and had been reported in trouble over Memphis yesterday.

1872: Minor Parties Enter The Field

By CHARLES L. MULLIGAN

Written for Central Press and New Castle News

U. S. Grant

Here was a curious election, with one of the Republican party's founders running on the Democratic ticket and an ex-Democrat backed by the Republicans for re-election. It was a campaign of bitterness, with sharp exchanges of personalities.

Little parties sprang up to complicate the fight. One was the Labor reform party, which met in Columbus, O., and nominated David Davis, Lincoln's first campaign manager. He declined, and Charles O'Conor, of New York, was substituted. The Prohibition party, in the same city, put forward James Black, of Pennsylvania. An Equal Rights party convention, also at New York, nominated Mrs. Victoria C. Woodhull. The Liberal Republican party, composed chiefly of men dissatisfied with the Grant regime, convened at Cincinnati and nominated Horace Greeley, founder and editor of the New York Tribune. In their dilemma the Democrats adopted the candidates and principles of this new organization, although Greeley had been a high-tariff man, had stoutly fought the extension of slavery and had never been in the Democratic ranks.

A split-off from the Democratic party met at Louisville and endorsed the Labor Reform choices. The Republicans met at Philadelphia and unanimously renominated Grant. Greeley, a splendidly equipped candidate, campaigned vigorously and effectively, without sparing his strength, but failed to get the normal southern Democratic vote. Attacks on Grant for his association with wealthy interests and for permitting corruption in office were not enough to dim his luster as a military hero.

Greeley had so spent himself in campaigning that he died on Nov. 29. His votes in the electoral college were counted principally for Thomas A. Hendricks. The electoral vote was as follows:

Ulysses S. Grant, Illinois, and Henry Wilson, Massachusetts, Republicans, 286; Thomas A. Hendricks, Indiana, Democrat, for president, 42, with scattering votes for three others, and Benjamin Gratz Brown, Missouri, for vice president, 47, with scattering votes for seven others.

The popular vote (for the first time in history this total includes all the states that participated in the election) was: Grant, 3,597,070; Greeley, 2,834,079.

Congress rejected the electoral votes of three southern states.

(This is the twenty-second of a series of 35 digests of presidential campaigns. The twenty-third will be: "1876: The Closest of All Elections.")

Urges Merchants Warn Postmasters Of Air Mail Needs

Heavy Shipments Are Made Into "Directs" Says Official

By ARTHUR C. WIMER

Special Washington News Correspondent

WASHINGTON, D. C., Oct. 17. — Individuals and firms of New Castle that occasionally make use of the air mail system of the country by mailing large shipments of air mail are urged by the United States post office department to notify the local postmaster in advance of the probable amount of mail to be sent by airplane in order that preparations may be made to carry the quantity shipments without delay and to maintain an even flow of air mail.

This cooperation will not only be appreciated by the department, but it will facilitate the prompt and efficient handling of the mail, Second Assistant Postmaster General W. Irving Glover states.

"Recently several large shipments of air mail have been made from various points in the country," the assistant postmaster general states. "These shipments have run all the way from 400 to 14,000 pounds. When such unusual shipments are made, it is necessary that this air mail matter be made into 'directs' as far as possible, at the office of origin, and in some cases special pouching is necessary in order to avoid delaying connecting planes at air mail fields."

Noted Man Speaks In Churches Sunday

Dr. M. A. Honline Of Pasadena, Will Address New Castle People

Dr. M. A. Honline, teacher, author and lecturer of Pasadena, California, and a recognized leader among the religious leaders of America, will speak before New Castle residents Sunday, October 21, it is announced today.

Dr. Honline will speak at the morning church service and an afternoon meeting at the First Baptist church. He will also speak at an evening rally of the First Presbyterian church. The delegates who attended the State Sabbath School association convention at Philadelphia recently state that Dr. Honline was one of the outstanding speakers at the meetings.

Accompanying Dr. Honline and making arrangements for the tour of the larger cities of the state, is L. Louis Aber, state superintendent of the church school administration division, who will speak at the morning church service at the Central Presbyterian church, at the rally in the afternoon with Dr. Honline at the First Baptist church and in the evening will give an illustrated lecture on church building and equipment at the Y. W. C. A. auditorium for the First United Presbyterian church.

Especially at the afternoon session are the pastors, superintendents and teachers, as well as Sabbath school workers and members, urged to present as at this afternoon forum at 2:30, there will be an open discussion and conference that will be of much benefit. Dr. Honline is witty, brilliant, thoughtful and his messages will cheer, comfort and correct. Many who hear him at the morning service at the First Baptist church will wish to hear him in the afternoon and at the evening service at the First Presbyterian church, as well.

Entertainment by radio isn't wholly satisfactory. It gives people no opportunity to show off their new clothes.

NEW GALILEE

SURPRISE PARTY

Monday evening a number of friends and members of the Nazarene church visited their pastor and family in surprise fashion, it being their daughter, Erma's, 20th birthday. An unusually good time was had by all. Different amusements were indulged in. Mrs. R. W. Dodds and Albert Welsh sang the "Pearly White City" beautifully. Mrs. A. W. Tanner came to the rescue with a comic reading, "Dried Apple Pie", with an encore, and "On the Stormy Sea".

Miss Erma received some handsome gifts, including a nice sum of money. A delightful lunch was served by several ladies of the church.

When the guests were about ready to depart Mrs. Albert Martsoff presented Rev. and Mrs. B. A. Duvall with a nice sum of money from the congregation. Rev. and Mrs. Duvall both responded with their appreciation, as did Erma. Rev. Duvall dismissed with prayer, and all departed wishing Miss Erma many returns of the day.

Those present were as follows: Mr. and Mrs. Wilfred Fry and sons, John and Paul; Mrs. W. R. Shawl and daughters, Esther, Betty, Alice, and son Merle; Mrs. C. B. Hazen and sons Max, Williard and Raymond; E. M. Baumgardner and daughters Elinor and Emmadora and son Wilbur; Mrs. R. T. Edwards, Mrs. W. H. Gray, Mrs Clarence Young, Mr. and Mrs. Albert Martsoff and daughter Emma and sons Harold and Clyde; Mr. and Mrs. Albert Welsh, Mr. and Mrs. R. W. Dodds and daughter Betty and son Bobby, Mrs. A. W. Tanner and daughters Edna and Hazel and sons Gerald and Donald and Mrs. S. M. Dryden.

As Rev. B. A. Duvall was going downstairs with cups and plates after refreshments were served at the birthday party he slipped on the step and falling to the bottom of the stairs broke a cup and cut quite a gash in his right arm and injured his back, but not so as to disable him from his duty.

NEW GALILEE NOTES

John Beatty has accepted a position at the P. L. & W. railroad Company.

George Grimm was brought home from school Tuesday, where he was injured playing football.

The ladies' auxiliary of the Beaver County Children's Home will meet Thursday afternoon at 1:30 o'clock.

Miss Lois Duncan of Pittsburgh spent the week-end with her parents, Mr. and Mrs. S. A. Duncan.

Uncle Buddie Robinson, the evangelist, will be at the New Galilee Nazarene church on Saturday, Nov. 3, instead of Saturday, Oct. 27, as was announced before.

Mr. and Mrs. J. G. Forsythe and Mr. and Mrs. Arthur Duncan and children will move Wednesday to the house vacated by Mr. Dyke and family, which they have recently purchased.

Any place is a good winter resort if you can make yourself think the cold there doesn't hurt as it does in other places.

Hoover Of Opinion Aviation Will Aid Commerce Of World

Republican Nominee Thinks Aviation Help To Business And Social Life

Works Hard Preparing Big Speech For New York City Next Monday Night

By WILLIAM K. HUTCHINSON
International News Service Staff Correspondent

WASHINGTON, Oct. 17.—Herbert Hoover looks upon the trans-Atlantic flight of the huge German dirigible, Graf Zeppelin, as a fresh advance in aerial invention which will have a profound effect on the business and social life of the world, it was learned today.

The Republican nominee believes aviation, by shortening time and distance, promotes commerce while the development of trans-Atlantic aeronautics will bring the peoples of the world closer together and increase world trade. He further believes the development of aviation has brought new problems to the governments of the world and that the feat of the German Zeppelin provides a new reason for the necessity of the American government lending its aid to the development of commercial aviation in the United States.

Brings Out Courage

Speaking of American aviation, he recently said: "It brings out the courage of men, stimulates them with the spirit of adventure and it annihilates time and distance. It brings a lot of new problems to government and the necessity for assistance from the government, that it may be developed, and promoted to its real great use."

The Republican nominee meanwhile continued to work upon his New York address, to be delivered next Monday night at Madison Square Garden. He will experience a strenuous day on his visit to New York City as Republican leaders of the Empire State have arranged a heavy program of conferences for him.

The nominee will arrive there at 8 a. m., going immediately to the Waldorf-Astoria Hotel, which will be his headquarters during his stay.

To Attend Luncheon

After a press conference at 10 o'clock, Hoover will meet delegations of various racial groups. The Republican organization leaders will call on him at 12:30 o'clock and then he will attend a luncheon given by Charles D. Hilles, the Republican national committeeman.

Then, he will rest until 4 o'clock. When he meets delegations of the Republican Service League organizations of the state. He will attend a private dinner and speak at 9 o'clock in the Garden.

As announced last week by International News Service, Hoover will discuss the relationship of government to business and their mutual problems. He has touched on this subject frequently since the campaign opened but his New York address will be his major bid for the support of organized industry.

Dawes to Take Stump

Vice President Charles G. Dawes will take the stump for the first time during Hoover's visit to New York. Dawes will speak at the Hoover Store at 10 East 45th street at 5 o'clock, and then appear upon the speaker's platform with Hoover at the great Republican rally that night. Dawes will then go on an eastern tour for Hoover.

Charles Evans Hughes, standard-bearer in 1916 and a "big gun" in the Republican offensive, meanwhile will take the stump for Hoover. On a western tour. Hughes will speak first in St. Joseph Mo., on Oct. 23, going then to Chicago for a speech the next night. His later dates included Buffalo on Oct. 26. Worcester, Mass., Oct. 30, and Brooklyn, Nov. 1.

Will Open Bids For Street Grading

Bids for the grading of Hazlecroft avenue will be opened next Monday according to Edna Hopkins Reimold stenographer to council and serving as city clerk during the vacation of Cordelia Zeigler Jones.

Bids also will be opened for the purchase of 1,200 feet of fire hose and photographs required by the city for the next year.

P.-O. COMPANY WILL CELEBRATE

Safety Record Made By Local Division Will Be Observed By Banquet

Officials and employes of the Pennsylvania-Ohio system will hold a banquet at the First Christian church October 25 in celebration of a three months safety campaign ranging in June, July and August. The New Castle division won from the Trumbull and Sharon divisions. The banquet will be arranged so employes and officials can dine at noon and also at 6:30 p. m.

The New Castle division of which C. C. Coulthard is superintendent, is now in the final three months contest and all operators have been instructed to operate cautiously and without accident if possible. The public is also requested to co-operate with the operators of busses and cars.

Boys Are Warned Of Impending Arrest

C. C. Coulthard, division superintendent of the P.-O. Electric Railway company today sounded a warning to boys that arrests will follow the placing of obstructions on car tracks and the throwing of stones through windows.

He said today that obstructions annually are placed on tracks during the days preceding and on Hallowe'en. He declared that stones have been thrown recently through car windows and police aid has been asked to apprehend the hurlers as persons riding cars may be injured.

Mystery Surrounds Failure Of Demonstrator To Arrive Here With Voting Machine

Mystery surrounds the failure of Miss Lula Mosby to report with a voting machine at the court house yesterday forenoon. Miss Mosby was to have demonstrated the machine here yesterday and today, under the auspices of the Women's Federated clubs.

Tuesday morning Mrs. Belle E. Taylor, who has been at the head of the arrangements, received a telephone message from Miss Mosby at Pittsburg, asking that a room be engaged for her at The Castleton, and saying that she expected to arrive at the court house with her machine at 10 a. m.

Mrs. Taylor engaged the room as directed and then went to the court house to receive Miss Mosby. Several other members of a committee of the Federated clubs joined Mrs. Taylor. When Miss Mosby did not appear on time, it was supposed that something had happened to delay her. Mrs. Taylor and the others waited until noon. Then they went back in the afternoon, but still Miss Mosby did not appear, neither was any message received from her.

About 3 o'clock Mrs. Taylor wired the factory at Jamestown, N. Y., to find out if the officials knew anything about Miss Mosby, who is in their employ. She requested an answer to her telegram, but up until noon today, no answer had been received. Neither had any message been received from Miss Mosby.

Mrs. Taylor does not know the address of Miss Mosby at Pittsburgh and so could do nothing toward getting in touch with her. It is feared that something serious must have happened to Miss Mosby, since no further word had been received from her up until noon today.

Mrs. Taylor has spent a great deal of time making arrangements for the demonstration and is sorely disappointed at the way it has turned out, although it has been through no fault of hers. She has done everything she could, and this forenoon spent the time telephoning members of the committee of the Federated clubs the status of the case.

New Examination For Agents To Be Held In Capital

(International News Service)

WASHINGTON, Oct. 17.—The second examination for prohibition agents will be held by the civil service commission within the next few weeks it was announced today. Applications for the examination will be received by the commission until Nov. 20.

The examination held last year failed to furnish a sufficient number of eligibles for many of the prohibition districts entrance salaries for agents range from $2300 to $2800 a year.

New Fire Engine Comes This Month

THE RIGHT WAY TO BANISH FAT

Combat a cause which modern research has discovered. Turn food into fuel and energy, rather than into fat. Supply a natural element which your system lacks. That is the method embodied in Marmola prescription tablets.

People have used Marmola for 20 years—millions of boxes of it. They have told others the results. Now, in almost every circle, you can see the results in new beauty and new vim. Why not learn the way to attain them?

A book in each box of Marmola tells you the formula, also the reasons for results. You will know why the effects come, and why they are beneficial. Go ask your druggist—in fairness to yourself—for a $1 box of Marmola.

RUPTURE EXPERTS COMING

Demonstrate The Famous Rice Method Free To Callers At Hotel

If you are ruptured, your big opportunity has now arrived. If you want to be free from the slavery of gouging, chafing trusses that make life a burden and misery, then HERE and NOW is the time to act. The Rice experts, trained under the personal direction of W. S. Rice, of Adams, N. Y., originator of the famous Rice (Non-Surgical) Rupture Method, will be at Leslie Hotel, New Castle, Pa., Friday afternoon and evening, October 19, all day and evening, Saturday, October 20, also at the Grand Hotel, Beaver Falls, Pa., Monday and Tuesday, October 22 and 23 to give free demonstration and trial of his safe and painless Method to every man, woman and child who is ruptured.

You have, no doubt, heard and read much about this famous Rice Rupture Method and the wonderful cures which thousands have reported from it. Now, you have the chance to find out all about it—to have it personally applied to your own rupture and learn just what it can and will do in YOUR OWN case. Just call at the hotel and these Experts will give you their personal attention, best advice and complete demonstration entirely free.

Are you tired of that binding, hampering, uncomfortable old truss? Would you like to be done with truss wearing forever? Then investigate the Rice Method and learn the wonderful opportunity for help and cure it offers. Remember it is different from everything else and is accomplishing wonderful results where all other treatments, and even operations have failed. It is modern, up-to-the-minute, abreast of the latest scientific developments. It is the one Rupture Method you are not asked to take on faith alone—the one Method that is positively demonstrated to you right on your own rupture, without any charge whatever.

Don't let this great opportunity get away from you. Your call on the Rice Experts is sure to prove one of the best things you ever did. They will be here only two days then your opportunity will be gone. Remember, you do not spend a penny unless, after having a complete demonstration, you decide this is the Method for you, and you—you alone—are the sole judge of that. Call any time from 9 to 12 a. m., 2 to 5 p. m., or 7 to 9 evenings. Simply ask at the hotel for the Rice Experts and they will do the rest. Lady Expert attends all lady callers. Don't miss seeing these Rice Experts.

If for any reason you cannot call, write for FREE TRIAL to Wm. S. Rice, Inc., Bx 167, Adams, N. Y.

SHENANGO TOWNSHIP HIGH SCHOOL ORGANIZES ATHLETIC ASSOCIATION

Nearly 175 Members Now In Shenango School Athletic Organization

Freshmen To Frolic Friday Night; Other School News Of Shenango Township

One hundred thirty new members were added to the membership of the Shenango Township Athletic association in the recent new membership drive which has just been completed. This makes a total of some 175 persons who are now members of the athletic association.

This association plans the sports program for the school teams and has charge of all athletic activities of the school.

Officers of the organization recently elected for this year were James Lawrence, president; Earl Collins, vice president; Lois Fombell, secretary; and Paul Lutton, treasurer.

According to the announcement of G. W. Johnston, director of athletics of the Shenango township schools, basketball practice for both boys and girls will begin the first week in November.

The school does not have a football team but have been playing basketball until the close of the season. Preliminary training for the basketball teams will begin however in the course of three weeks and intensive training December 1.

Friday evening, October 19, a party of the freshman class of the Shenango township high school will take place in the school auditorium.

Robert Meister, president of the freshman class is in charge of the various committees in charge of the details.

The evening will be spent in games, eats, and an entertainment will also be given.

A bazaar will be given by the members of the Girl's Varsity club in December in the Shenango high school auditorium. It will be a Chinese affair, and will include an entertainment. The exact date for the affair has not been set due to the number of activities at that time but will be announced later.

Sometime next month, the Boys' Varsity club will stage a minstrel show. Practices are being held regularly now and plans have been completed for the boys' show which will take place in November. The show was originally scheduled for this month but due to the institute for teachers and necessarily the dismissal of school and discontinuation of practice, the minstrel has been postponed until next month. The exact date will be necided in the course of a few days.

Many Die Too Young Health Studies Show

HARRISBURG, Oct. 17.—Checking the ages of those who died in the past year from heart disease has convinced officials of the State Department of Health that many of the deaths would have been preventable.

During the year 20,495 persons were reported as having died from heart disease. The percentage of young persons was entirely too large, a study of the statistics reveals.

Officials of the department said that an annual health examination, especially during youth, and following the advice of a competent physician, should raise the present expectation of life from 57 or 58 years to 65 years.

Dramatics Club Elects Members

Westminster Bells And Buskin Elects Eight New Members To Club

(Special To The News)

NEW WILMINGTON, Pa., Oct. 17.—Eight members were elected to Bells and Buskin, the Westminster College dramatic organization, after the tryouts held last night in the basement of the United Presbyterian church.

From the 20 candidates who were heard by Professor A. T. Cordray, Ruth Lewis of New Castle and James Guthrie of Butler, the following were elected to the organization; Muriel McLean, Buffalo, N. Y.; Harriet Martin, New Castle; Isabelle Hitchings, New Wilmington; Virginia Reeher, New Castle; Wilbur Baldinger, Butler; James Blackwood, Cleveland, O.; Douglas Anderson, Philadelphia, and Marshall Fisher, Youngstown, O.

As part of the initiation the new members will present a one-act farce to the old members next Wednesday evening. Plans for this year's student dramatic activities are not as yet completed, but it is thought that four or five plays will be produced.

PETER'S ADVENTURES IN ANIMAL LAND

BY MRS. FLORENCE SMITH VINCENT

A FIGHT BETWEEN A PIRATE AND A KING

"The more she thought about Eagle the fiercer Cousin Sally grew.

"'Eagle is after one of our nestlings, thinks our baby would make a dainty mouthful for his wife's supper, I suppose! Well, he is very much mistaken. He may rob other birds' nests, but he has got to leave that of the Squas alone or lose an eye

"'My own brave husband! I knew you would beat him off. Hurrah! Hurrah! There he flies, the cruel robber. He is making for the other side of those rocks. Soon he will be out of sight. Ah! Over he goes and out. Thank goodness we have seen the last of his tail feather for a while, I hope.'

"Sally Squa was right! Cormorant could scarcely believe his own eyes when he saw Eagle sailing not soaring as he usually did, but slowly and with a half-hearted motion of his wings, as if he was dreadfully ashamed of himself for being beaten. Nor did Eagle carry off all of his feathers with him. Long after he had flown out of sight these were floating about in the breeze, silent witnesses to the fact that for once in his life at least the conqueror had been conquered.

"The Gulls were much delighted and gloated over the victory all the way home.

"Little by little the crowd lessened, as Gull after Gull left his comrades and flew to his own particular nest upon the rocks, where he was received with open wings and joyful shouts of welcome by his wife and babies. At last there were only Cormorant and one Gull left, sailing alone.

"'Well,' remarked the Gull, 'the time has come when you must finish your journey by yourself, friend. My home is on that ledge that we are just about to come to. Soon I shall be following the plough of some farmer and picking up grubs instead of fish for dinner. I like a change of scenery and diet once in a while and when I grow weary of the water I make for the land. Goodby and good luck.'

"WELL," REMARKED THE GULL, THE TIME HAS COME WHEN YOU MUST FINISH YOUR JOURNEY BY YOURSELF, FRIEND."

"Waving a friendly farewell the last of the Gulls flew home and again Cormorant was left to his own devices."

Discover Plot To Rob Toledo Bank

Find Tunnel From Another Building To Point Near Bank Vault

(International News Service)

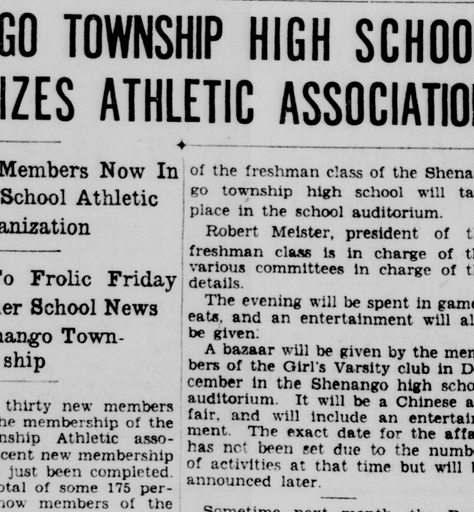

TOLEDO, O., Oct. 17.—A plot to rob the vaults of the Ohio Savings Bank and Trust company, here, in which millions of dollars in currency are stored, was revealed today when a tunnel leading directly under the vault from the basement of an empty store room was discovered.

Between the bank and the empty rooms were two occupied rooms. In the tunnel was found an acetylene torch and nearby a tank of gas.

The discovery was made when Frank Nugent, a sandwich shop proprietor complained to his landlord that rats were getting into his basement through the falling walls Nugent and his landlord called police.

The discovery was made Friday but was not announced until today. Since that time police kept a close watch on the tunnel hoping to capture the plotters.

What will You do when Your– Children Cry for Castoria

THERE is hardly a household that hasn't heard of Castoria! At least five million homes are never without it. If there are children in your family, there's almost daily need of this soothing preparation. And any night may find you very thankful there's a bottle in the house. Just a few drops, and Baby is comfortable. A few moments, and that colic or constipation is relieved; or diarrhea checked. Yet this is a vegetable product; a remedy meant for youngsters. Castoria is about the only thing you have ever heard doctors advise giving to infants. Stronger medicines are dangerous to a tiny baby, however harmless they may be to grown-ups. Good old Castoria! Remember the name, and remember to buy it. It may spare you a sleepless, anxious night. It is always ready, always safe to use; in emergencies, or for everyday ailments. Any hour of the day or night that Baby becomes fretful, or restless.

Stomach and Kidney Troubles Yield to Amazing Powers of Konjola; Highly Indorses New Remedy.

MRS. LAURA EMERY

That Konjola is a medicine of real merit has been conclusively proven by the countless numbers of voluntary testimonials from people of this city and nearby towns who have been relieved of various health troubles through the use of this medicine. Hundreds of testimonials have been received by the Konjola Man at the Love and Megown Drug Store, 204 East Washington Street, this city, where he is daily meeting the public and introducing and explaining the merits of Konjola. One of the latest to indorse Konjola is Mrs. Laura Emery, 1116 Croton avenue, New Castle, who made the following statement:

"Konjola has proven itself to be a medicine of exceptional merit and value in my case", said Mrs. Emery. "It has restored my health and now I am going to indorse it every chance I get.

"My stomach was always bothering me and I don't believe I had eaten a meal in a long time without suffering intense misery afterward. Food always formed a heavy lump in the pit of my stomach that was very uncomfortable. Then it would ferment and cause quantities of gas to form that bloated me so much I had a hard time breathing. Due to the disordered condition of my kidneys I was subject to severe pains in the small of my back that made it impossible for me to bend over. My bladder acted so frequently that my sleep was always being disturbed. I really did not think that I would be able to stand such suffering much longer. Quite often attacks of billousness often came over me and certainly made matters worse. Headaches and dizzy spells also seemed a part of my life. You can see that I was in a terrible shape.

"But all that is ended now and I am once more in the best of health. I owe it all to Konjola and think that every sufferer should give this medicine a trial and I am sure they would gain the same relief that I did." My stomach is in perfect condition and I am eating whatever is placed before me without suffering from one of the former ugly symptoms. The gas bloating, fermentation and pains are all ended. Konjola did this for me in a very few days and yet I feel the relief is permanent. My kidneys are also much stronger and never cause me to rise during the night. My back is free of pains and I can get around and do whatever I please without suffering the least bit. The spells of billousness vanished some time ago and have never returned. Konjola also ended the dizzy attacks and headaches. In every way I have been benefited".

The Konjola Man is at the Love and Megown Drug Store, 204 East Washington street, New Castle, where he is daily meeting the public and introducing and explaining the merits of this medicine.

Konjola contains juices from 22 plants—more than other medicines. It is a new compound that works with the sufferer's food, restoring more healthful action to the important organs (stomach, liver, kidneys and bowels) and producing new energy and glorious health in a natural way, thru the entire inner-system.

Man Swindles Widow And Wins Affection Of Daughter; Gets Prison Term

(International News Service)

RICHMOND, Va., Oct. 17.—Bernard F. Champagne, 25, son of a Ticonderoga, N. Y., grocer, today was sentenced to 10 years in prison for obtaining $15,000 from Mrs. Percy Field, a widow. She testified he represented himself as the son of Walter W. Baker, Dorchester, N. Y., candy manufacturer. He promised to "double it in the stock market," she said.

The grocer's son not only influenced the widow to give him the money-receipts from her husband's life insurance policy—but he also won the heart of her daughter, Lucille Field, 18. Their wedding plans were halted by his arrest. He said he squandered half of the money.

Chrysler To Erect Tallest Building

Office Building In New York City Will Be 68 Stories High

(International News Service)

NEW YORK, Oct. 17.—Plans for the tallest office building in the world to be built by Walter P. Chrysler, automobile magnate, was anounced Tuesday.

The structure to be known as the Chrysler building, will rise 68 stories above the street in Lexington avenue from 42nd to 43rd streets, opposite Grand Central terminal.

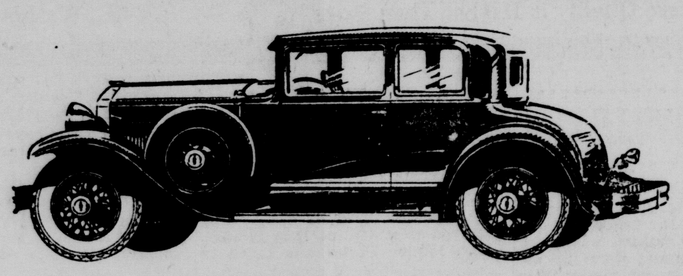

It will be 808 feet in height, 16 feet taller than the Woolworth building and second only to Eiffel tower as the highest structure in the world. It is expected to be ready for occupany in April 1930.

Chrysler anounced the project as a personal venture. The W. P. Chrysler Building Corporation has been formed to erect the building at a cost of $15,000,000. The land was acquired on a 66-year lease from Senator William H. Reynolds who originally planned to build the structure.

Kellogg May Get Nobel Prize For World Peace Work

Paris Correspondent Says He Is In Line For Famous Award

ROOSEVELT, WILSON ALSO WERE HONORED

Formerly Prize Went To Humble Men; Now To Foreign Ministers

By WILLIAM IVY,
Copyright 1928 by the New Castle News.

PARIS, Oct. 17.—There is talk about giving the Nobel Peace Prize to Secretary Kellogg. After Briand and Chamberlain and Stressmann nothing could be more fitting. But most of the earth's common folk probably wish that the prize could get back to something like its original destination.

Judging by the early awards, Nobel himself did not intend that his money should go to statesmen. During the first dozen years—1901 to 1913—the awards were made to people who today are quite forgotten, with the single exception of Theodore Roosevelt. He was generally considered to be our most bellicose president; he and Woodrow Wilson, who was the only American president to preside over a war since the foundation of the Nobel fund) are the only American presidents who have received this honor—and the accompanying $40,000.

Perhaps Briand, Chamberlain, Stresemann and Kellogg will be forgotten in another ten years—who can tell? But looking over the list of Nobel peace laureates, I wonder what bright little boy in the class can tell me who was M. Dunant, the lucky Swiss who got the prize the first year? Who was M. Passy, the Frenchman who followed him? Who were MM. Ducommun and Gobat, both Swiss, who were given the award in the two following years? Who was Signor Moneta, the eminent Italian who got it in 1907? And Mr. Arnoldson, of Sweden, and Mr. Asser of Denmark, and Herr Fried of Austria, and the Belgian, M. La Fontaine? Who were they? Where are they?

They all did something—and something big—for world peace. They all came out of obscurity into the world's notice, and they all got checks for $40,000, which they put to various useful purposes. And their example was an inspiration.

But nowadays you have to be a foreign minister, at least, before you are even in the running.

Let's hope it will go this time to somebody who needs the distinction —and the money.

Concrete Floors Will Save Chicks Says County Agent

Young Birds Less Liable To Infestations when Not On Ground Floors

"Lawrence county poultry raisers," states County Agent Harold McCulloch, "have found trouble in saving young and mature stock from infestations of round worms. This loss can be prevented, if the chicks when young are reared on concrete floors and under fly-screening."

Chicks hatched in confinement that have never set foot on ground are equally as healthy as the others. Recent tests have been conducted which tend to prove that worms which have resulted in the destroying of entire flocks of little birds can be eliminated by the concrete floor and fly-screen system in poultry houses.

Lions' Club Hears Telephone Talk

Club Endorses Project Of Bringing State Legion Convention Here

P. C. Staples, a vice president of the Bell Telephone company of Pennsylvania, delivered an interesting address in connection with that industry when the members of the New Castle Lion's club assembled in the Elks club at noon Tuesday, for their weekly meeting. F. J. Chesterman, also a vice president of the Bell in this state was present with a number of members of his own staff.

After endorsing the effort of the local American Legion post in endeavoring to secure the 1929 state convention of the Legion organization for New Castle, the club heard Mr. Staples' address. He stated that the telephone industry was just starting to grow and told of the transoceanic telephonic service with Europe.

Other representatives of the telephone company present were William R. Bingham, district manager of the Bell company with headquarters here: John R. McGregor, Carl Freehafer and John R. Dunfee, of the local branch.

Members of the cathedral orchestra, under the direction of Ted Hall, were also guests of the club, rendering a number of enjoyable selections preceding Mr. Staples' address.

New Castle Party Returns From Philadelphia Event; New Castle Boy Team Manager

New Castle has a rather personal interest in the success of the football of Temple University in Philadelphia this year. The team is under the management of Ernest Wolf, son of Mr. and Mrs. E. R. Wolf of 921 East Morton street. Ernest Wolf is a former star of the New Castle High School track team and for a time was on the staff of The New Castle News.

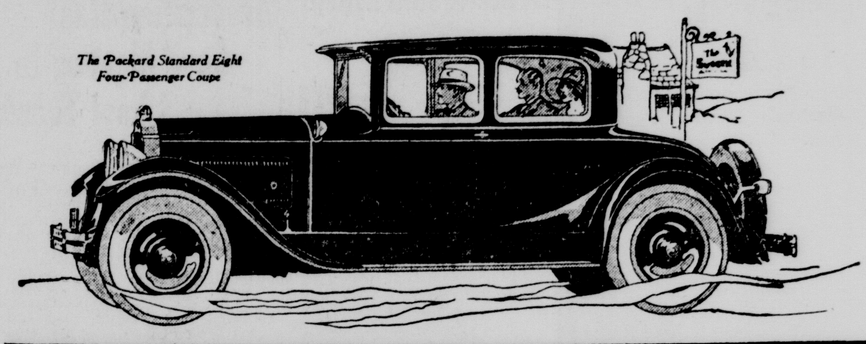

On Saturday, October 13, Temple dedicated its new stadium with the team celebrating the occasion by defeating Western Maryland. Mrs. E. R. Wolf, mother of the team manager was present at the dedication and with her the following, Mrs. J. A. Wright of 318 Englewood avenue, Mrs. Henry C. McMullen of 833 East Washington street, Mrs. Leigh Robinson of 411 Florence avenue.

While in Philadelphia Mrs. McMullen visited her son Chester who is a student in the University of Pennsylvania, and Mrs. Wright visited her son, Edward, who is a student in Temple. Pauline Wolf, daughter of Mr. and Mrs. Wolf is also a student in Temple.

The trip was made by automobile and after some time spent in Philadelphia the ladies went to Atlantic City. They were gone a week.

Great men seldom are misquoted in print but it's charitable to think they are.

The PACKARD STANDARD 8

Every inch a Packard but priced remarkably low

IN BEAUTY, comfort and distinction—in power and performance—the new Packard Standard Eight is comparable to the finest cars Packard has ever produced. Yet Packard Standard Eight prices are the lowest at which a Packard Eight has ever been offered.

Like the new Custom and De Luxe models, the Standard Eight embodies the new and unique Packard Shock Absorbing System which, combined with deep, luxurious cushions, makes the Packard Eight *the easiest riding car in the world*—as well as *the safest.*

Not only is the Packard Eight the safest to drive, but it is the safest to buy from the standpoint of long-life ownership.

First, because owners have established that a Packard provides distinguished transportation for nearly four times the payment period. Second, because it is not the Packard policy to obsolete cars in service by frequent and radical changes in design. And, third, because the trend in eight-cylinder motor cars is very definitely toward the straight eight.

The new Packard Straight Eight powerplant, with its nine-bearing crankshaft, is a marvel of rugged, compact simplicity. Perfected from the experience of 30 years of engine design, it provides a smooth and flexible power flow that is unequaled—performance both brilliant and dependable.

We will fairly appraise your present car and accept it as cash. If it is of average value it should more than make the down payment on a Packard Standard Eight, leaving but small monthly payments which you can conveniently meet.

PACKARD STANDARD EIGHT FIVE-PASSENGER SEDAN $2435 AT THE FACTORY

Other Models $2510 to $2835

CHRYSLER

New Chrysler "75" Roadster (with rumble seat) $1555. Wire wheels extra. Immediate deliveries.

Chrysler's only real competition —is Chrysler

THE first Chrysler established a margin of superiority over all other cars in style, performance and value that has been maintained ever since . . . ¶ The true competition Chrysler has to face therefore is with Chrysler—to make sure that each succeeding Chrysler is better than the Chryslers that have gone before . . . ¶ Public demand for the newest Chryslers today tells how well Chrysler has succeeded. *Chrysler's largest production is just now beginning to satisfy that demand . . .* ¶ The public is delighted with the new style that re-styles all motor cars — new slender-profile radiator, arched-windows and the graceful sweep of the new "air-wing" fenders—*avoidance everywhere of the bulky and cumbersome . . .* ¶ And with Chrysler's smooth performance, riding luxury and safety—"Silver-Dome" high-compression engine, using any gasoline; internal-expanding hydraulic 4-wheel brakes, efficient in any weather; and hydraulic shock absorbers . . . ¶ Other cars seek to compare themselves with Chrysler in style, performance and value which really do not compare with Chrysler at all. Chrysler's only real competitor is—Chrysler.

Airplane Pilot Is To Lecture To Model Clubs

Captain William T. Howe, Friend Of Lindbergh's, Will Speak

Captain William T. Howe, a former co-pilot of Colonel Charles A. Lindbergh, will be the chief speaker on a program which is arranged for the benefit of the aviation enthusiasts of New Castle, and which will take place Wednesday afternoon, Oct. 24, at four o'clock at the Carnegie auditorium.

The speaker will tell many interesting facts about the flying colonel and his achievements, and to the members of the model airplane clubs he will give much practical advice on model building.

Every aircraft enthusiast in New Castle should come to the Carnegie auditorium next Wednesday and particularly if they are interested in forming the Greater New Castle Junior Aviation League. This will be a consolidation of all model aircraft clubs in the vicinity, and the meeting will be open to all. Adults are invited, as well as high school and junior high pupils. Admission will be free.

Too Much ACID

Many people, two hours after eating, suffer indigestion as they call it. It is usually excess acid. Correct it with an alkali. The best way, the quick, harmless and efficient way, is Phillips' Milk of Magnesia. It has remained for 50 years the standard with physicians. One spoonful in water neutralizes many times its volume in stomach acids, and at once. The symptoms disappear in five minutes.

You will never use crude methods when you know this better method. And you will never suffer from excess acid when you prove out this easy relief. Please do that—for your own sake—now.

Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians for 50 years in correcting excess acids. 25c and 50c a bottle—any drugstore.

"Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.

The Story Of The Hawaiian Islands
Captain Cook Discovers Hawaii, 1778

IN 1778, CAPTAIN JAMES COOK, THE FAMOUS ENGLISH EXPLORER, HAVING TWICE CIRCUMNAVIGATED THE GLOBE ON VOYAGES OF DISCOVERY, SET OUT TO SEEK A NORTHERN PASSAGE FROM THE PACIFIC TO THE ATLANTIC. WITH HIS TWO SHIPS, THE "RESOLUTION" AND THE "DISCOVERY", COOK SIGHTED THE ISLAND OF OAHU, ONE OF THE HAWAIIAN GROUP, ON JANUARY 18, 1778.

HE CALLED THE GROUP THE SANDWICH ISLANDS AFTER HIS PATRON, THE EARL OF SANDWICH, WHO WAS THEN FIRST LORD OF THE BRITISH ADMIRALTY THE NEXT DAY HE CRUISED PAST THE ISLE OF KAUAI, AND ON THE 20TH LANDED AT WAIMEA ON THE SOUTHEAST COAST. THE ENGLISH WERE WELL RECEIVED BY THE INHABITANTS.

THE HOSPITABLE NATIVES SUPPLIED THE SAILORS WITH FRUIT AND VEGETABLES, AND ASSISTED THEM IN FILLING THEIR WATER CASKS. COOK SAILED AWAY IN QUEST OF THE NORTHERN PASSAGE. HE EXPLORED THE COAST OF ALASKA, BERING SEA AND VENTURED INTO THE ARCTIC AS FAR AS THE ICE FIELDS.

THE FOLLOWING DECEMBER HE RETURNED TO SPEND THE WINTER IN SUNNY HAWAII. THIS TIME THERE WAS TROUBLE BETWEEN THE ENGLISH AND THE ISLANDERS. THE SAILORS WERE INSOLENT AND BRUTAL TO THEIR HOSTS, WHO IN RETURN STOLE FROM THEIR NOW UNWELCOME VISITORS. SEVERAL SERIOUS BRAWLS OCCURRED.

PITTSBURGH TEAM SEEKS VICTORY HERE

Westinghouse Is Undefeated Team

Coach Bridenbaugh Has Task Of Planning Defense For Saturday's Game

Sillman Will Be Back In Line-Up; Westinghouse W. P. I. A. L. Contenders

By "BUGS" WALTHER

SATURDAY afternoon at Franklin field two high school football teams will be found battling for the right to continue in the undefeated column of the W. P. I. A. L. contenders. New Castle high team clashes with Westinghouse of Pittsburgh in what looks like a tough conflict.

New Castle and Westinghouse are undefeated in the scholastic competition of 1928. A victory for either team is going to be elevating. The Pittsburghers have boasted that on Saturday they will find a way to throttle the ambitious New Castle machine.

Coaches Are Busy.

Both coaches are busy this week preparing for a titular struggle, Bridenbaugh in this city and Burton in Pittsburgh. Another angle is this: Westinghouse has never before occupied a place on the New Castle schedule and therefore is anxious to make a good showing.

Westinghouse played "under wraps" last Saturday against Indiana high school and ran away with a 13 to 0 victory. The Westinghouse second team started the Indiana game, and not many of the regulars saw action. The same holds true of the New Castle team last Saturday in their game with Meadville high, except that Bridenbaugh started what regulars he had in condition and never used any of his trick plays against the Crawford countians.

City Champs in 1927.

The Westinghouse team last year captured the city championship in Pittsburgh and defeated Schenley by a large score. The makeup of the team this year is practically the same as 1927, with the exception of four regulars who graduated. The new material at Westinghouse is of the best, according to reports. Coach Burton has had good success with the team to date and hopes to continue his string of undefeated games after meeting the powerful New Castle combination.

Coach Bridenbaugh is of the opinion that Westinghouse high will be one of the hardest games on the 1928 program for the red and black warriors and has entered them on intensive sessions of drill this week.

May Change Lineup.

With Sillman's injured ankle healing nicely and "Red" McAuley and Mooney back in the lineup, Coach Bridenbaugh hopes to throw his strongest array of gridders on the field Saturday. Sillman reported for training on Monday feeling fit and McAuley was out in uniform and going through training with his same old pep and dash.

Bridenbaugh has not yet announced any changes on the team but there will likely be a few shifts before Saturday. With McAuley and Fernatt both ready to play, it is probable that DiCarbo will go back to the line at his guard post.

Ormiston is Threat.

"Ken" Ormiston, the big Westinghouse fullback who recently returned to the lineup will be a hard man to stop. Ormiston is a speed merchant and a very shifty runner. Captain Sullivan, who has been out of the lineup for several weeks with a bad shoulder, is reported as ready for play in the New Castle game. Mayberry, holding down an end job for the Pittsburgh team, is said to be a great player and one who may cause the New Castle backfield men lots of trouble. Ware and Matroney, the Westinghouse halfbacks, are reported to be good.

Taking it all in all New Castle high team looks to be in for a fine afternoon of football playing on Saturday.

New Distance Man Adds Hope At Westminster

(Special To The News)

NEW WILMINGTON, Oct. 17.—James Smalley, inter-scholastice star miler last year at Elizabeth, led the pack of Westminster harriers over the five and one-half mile Fayette course in the tryouts yesterday, negotiating the distance in 33 minutes.

Smalley did not report for cross-country until last week and since last evening's performance was his first over the long course Coach Graham is counting on him to be one of the mainstays on the distance team which will again attempt to win the conference championship this year despite the loss of Orvil Mirtz and Wesley Rose, two aces.

Close on the heels of Smalley came Captain King. He was followed by Perrine, Anderson, David Myers, Findlay, Wallace and Free. Elmer Myers and Ross Ellis, two members of the team were not in the tryouts.

The fact that Geneva defeated the Grove City distance men last Saturday means that Westminster must defeat the Grovers in order to have much chance with the Covenanters later on in the season. With this in mind the harriers are having intensive workouts all this week. The Grover meet will be run as a preliminary to the Grove City-Westminster grid game Saturday.

Bush Seeks Job As Tiger Pilot

Donie Bush Tells Friends That He Will Not Return To Pittsburgh

(International News Service)

DETROIT, Oct. 17.—Donie Bush, one time Detroit shortstop and now manager of the Pittsburgh Pirates, is negotiating with Frank Navin of the Tigers for the job of running the local American league club next season, according to a report published here today.

Bush was here a few days ago for a conference with Navin. He told friends there were considerable difference between the salary he asked and the figures offered by Navin. He believed, however, that there could be a compromise.

Donie also declared, according to friends, that he would not return to Pittsburgh.

Bucky Harris, former manager of the Washington club, was also in Detroit a few days ago conferring with Navin.

It is regarded as certain George Moriarty will not be with Detroit next season.

HERE AND THERE IN SPORTS' LAND

By ED. FRITZ

Reports state that Emmett Rocco, Ellwood City has been matched to fight Johnny Risko at Cleveland, October 23.

There is considerable belief in the report that Hornsby may be traded to the Cubs, who also want Glenn Wright.

Fielding H. Yost has denied the report that he proposes to resign as athletic director at the University of Michigan.

Paul Prehn, Illinois state athletic commission, has been named president of the National Boxing association.

Frankie Wine who was to have fought Homer Smith here fought a draw with K. O. Christner last night at Canton, O.

Wine holds the heavyweight champoinship of South Africa. Christner was seconded by Jimmie Dunn of Cleveland.

Pitt To Battle Allegheny Team

Panthers Look For Tough Struggle With Methodists Saturday

FORWARD PASSING WILL TELL TALE

(Special To The News)

PITTSBURGH, Pa., Oct. 17. — A different Allegheny College grid team invades the Pittsburgh stadium next Saturday to battle a Panther team, which like all teams, can be beaten. This was proved to the satisfaction of West Virginia last Saturday.

Last year Pitt ran up the largest score of the season by walloping the Meadville boys, 52-0. The Allegheny outfit was composed largely of sophomores, so the same players with a lot more football knowledge under their belts are determined to wipe out that humiliating memory.

After holding Dartmouth for three quarters last Saturday Allegheny gave way in the final period to lose a stiff battle, 37 to 12.

Allegheny passed frequently, completing nine out of nineteen attempts. Both their scores were the result of an aerial attack, the first one coming on a long pass to Hughes, Allegheny end.

Emphatic proof was evinced in the West Virginia game that Pitt is sadly wanting in the aerial game. Coach Sutherland will drill his men in forward pass tactics throughout this week to combat the reputed air game in the invaders.

The Pitt team came through the Mountaineer game in good physical trim. Coach Sutherland for the first time in two seasons is priming a team that lost the previous Saturday.

"Horse" Guillium Enters Syracuse

Charles "Horse" Guillum, New Castle athlete has matriculated at Syracuse according to information received here today. Charlie was a basketball star while with Grove City college and no doubt he will try to make the team at Syracuse when the season starts.

Turtle Creek-Union High Stars At Westminster

Five Gridders And Manager From Same High School

If "Foxy" Miller, coach of the Turtle Creek Union high school football team sends any more men to Westminster, the former Pitt star should be placed on the Westminster payroll. During the last two years, five football men have entered the United Presbyterian school from Union high. Then, too, the student manager, William Lewis, is another Turtle Creek Union high graduate. The gridders are Emmett Tweedy, end; Russell Boone, center; Harold Forsha, end; Harry Michaels, full; and Joseph Ledger, quarterback.

Coach Beede Shakes Up Westminster Eleven

(Special To The News)

NEW WILMINGTON, Pa., Oct. 17. —Monday was a strenuous day for Coach "Dyke" Beede's Westminster grid team. Members of the squad, dejected because of the defeat suffered at the hands of St. Francis at Greensburg on Saturday, were in fighting fettle and entered into the long drill with earnestness.

The gridders reported early and continued to drill in breaking up forward pass attacks until late in the afternoon. Yesterday found the squad on the field early despite the rain. Coaches and players alike realize that the team must improve 100 per cent if the strong Grove City outfit, conquerors of John Carroll, are to be held.

Comparing the two teams on paper, the Grovers are two touchdowns better than the United Presbyterians. However, the game is a traditional event, despite two years' lapse in athletic relations, and the renewing of hostilities will undoubtedly result in a close game.

Grove City and Westminster have always had the very best sort of relations on the gridiron, so that a clean, fast game is certain to be on tap for Saturday. While Westminster has not been able to defeat the Grovers but once in the last 10 years, the scores have usually been close and the games contested to the final whistle.

Arrangements are being made for the transportation of the whole student body and faculty to Grove City for the contest. It is thought that 500 rooters will accompany Beede's crew to prove that the team and coach hold the respect of the New Wilmington group and that there is confidence that the Crimson can be stopped.

Beede has shaken up the first team somewhat since the St. Francis game. Homer Dishong, 225-pound Johnstown boy, has been placed at left guard in Ayers' post, while Dible and Hall have been alternating at left halfback. In all likelihood Gerry Sweet, 238 pound lineman, will also be used against the Grovers. William Armour of Sharon, cut of practice for three weeks with a sprained ligament, is again in shape and will make a strong bid for a line position.

A stiff scrimmage will be called for this afternoon at which time Beede may make additional changes in the lineup which will start against Coach Berry's Crimson Threat.

Nothing But The Ruth

By Feg Murray

The most popular choice for President right now is not Herb Hoover or Al Smith or Will Rogers, but George Herman Ruth, alias Babe, who, when one is speaking of "aliases" caused the Elias brothers, Al and Walter, to work overtime during the series to keep track of the new records he was setting daily. And the Big Bam set them gaily too, as well as daily, for in spite of a lame knee and the strain of a world series competition, Babe Ruth had more fun out of the last game with St. Louis than in any other game he ever played. What a ball player that fellow is! What a man! What a hitter!

Before putting the late lamented world series away in moth balls for the winter and turning our sole attention to football, let us glance at the accomplishments of this Atlas of Baseball, who, back in 1915, just faced Grover Alexander as a pinch-hitter in the Boston-Philadelphia world series, and who, in 1916 and 1918, was one of the best southpaw pitchers in the majors.

This year the whole St. Louis team scored 10 runs in the four-game series. Babe Ruth scored one less than that himself. The Battering Bam got 10 hits for a total of 22 bases, while the Spiritless St. Louisans got 27 for 37 bases.

All in all, the Babe rewrote the record book as far as world series performances go, setting 19 new records in the four contests (if you could call 'em contests!) The big boy's batting average of .625 is almost unbelievable, especially since the Big Truck was suffering from a flat tire.

Sure, Ruth can have my vote for President any time he wants it!

Tommy Loughran Unrecognized By Pa. Commission

Ruling By National Boxing Association Is Unnoticed By State Solons

BOXING BOARD MEETING TODAY

(International News Service)

PHILADELPHIA, Oct. 17.—The N. B. A.'s declaration that Tommy Loughran, Pennsylvania's world's light heavyweight champion, "must be recognized as the leading contender for the vacated heavyweight title," passed unnoticed today by the Pennsylvania state boxing commission.

It was not so taken, however, by diminutive Joe Smith, manager of the titleholder. Smith and Loughran immediately declared they were ready to "do anything asked" by the National Boxing association to prove Loughran's right to the title deserted by Gene Tunney. Smith went even further, pointing out that Stribling and Risko already have been defeated decisively by Tommy and that Sharkey twice has refused a bout with the Philadelphian.

"If Uzcudun, Hansen and Roberti refuse to meet Loughran, it is my belief Loughran should be declared the world's heavyweight champion without further parley," Smith said.

Meanwhile the three Pennsylvania commissioners met here today for their regular monthly session with the assertion that Loughran's hope he may be crowned heavyweight champion would not be considered, at least officially.

Geneva And Thiel To Play Saturday

Geneva Team Is Somewhat Crippled For Battle With Greenville Team

BEAVER FALLS, Pa., Oct. 17. — It is certain that Coach Flenniken will send his Geneva squad against Thiel on Saturday very much crippled. Geneva gained a costly victory over Waynesburg to obtain the temporary lead in the Conference race. Emrick, and Richards, backfield stars, and Turpin, star linemen, are out with injuries which will not allow them to play for at least two weeks. This is a hard blow to Geneva's chances to annex the Conference crown. Notwithstanding Duquesne's victory over W. and J., the Covenanters feel Thiel is the team that will have to be beaten. The Covenanters offensive was only fair against Waynesburg. The line plays worked fairly well, but the passing attack was weak. Some of the subs, who were freely used, showed up well. Duncan made some fine gains and Johnson looked particularly well at tackle. Preece did the best work of the regular backs and looked far better than in the Bucknell game. Knapik's kicking was effective. Ewing and Capt. Booth returned to the lineup for a short while and did some fine work. They will be in good shape for the Thiel game.

Dilks Accepts Race Challenge Of Mike Joyce

Local Marathon Runner Will Race Cleveland Man Says Letter

Earle Lin Dilks, New Castle long distance runner and a former member of the C. C. Pyle bunion derby from Los Angeles, has accepted the race offer of Mike Joyce of Cleveland, printed a few days ago by The News.

The following letter was received today from Dilks:

Sports Editor,
New Castle News.

Dear Sir:—The challenge of Mike Joyce of Cleveland for a race is accepted. Would suggest that first race be an effort by Joyce and myself to try and break the 100-mile record of Newton. This race could be staged from New Castle to Erie, or vice versa.

I am ready to race any time, and I hope that Mike is the same. A lot of my training has been done with Newton and Gavuzzi. May the best man win.

Westminster Eleven To Test Grove City In Battle Saturday

Coach Berry Has Wholesome Respect For Westminster Team This Year

Grovers Hold Edge In Games Played Between Two Schools On Gridiron

GROVE CITY, Pa., Oct. 17—Homecoming day will be observed at Grove City college Saturday, when the feature of the day's activities will be the football game between the Grovers and Westminster college. It will mark Grove City's first appearance against a distinct rivel this year and a record atendance is expected at College field.

Not since 1925 have Grove City and Westminster teams met in athletic competition and in view of the intense rivalry which has existed between the schools for many years, Saturday's contest looms as an early-season classic in Western Pennsylvania.

A distinct improvement was noted in the Crimson play last Saturday. Berry shifted his lineup, sending Weidman from end to tackle, and starting Crabb a first-year man, in the backfield. Munson, yearling fullback, showed plenty of class in crashing the line. However, Berry has a wholesome respect for Westminster this year and has intimated to his squad that their best will be none too good if a victory is to be registered Saturday.

Over a period of 35 years Grove City and Westminster have met on the gridiron in 42 contests. The Crimson has the edge over their United Presbyterian rivals, winning 22 games to Westminster's 17. Three contests were deadlocked. Westminster has won but one game since 1917, gaining a 7-0 decision in 1924. Grove City has scored 416 points to Westminster's 291 during the 35 years of competition.

Westinghouse High Gridders To Stop At The Castleton

Pittsburgh Team To Reach New Castle Early Saturday Morning By Bus

Faculty Manager Ralph H. Gardner today announced that arrangements had been made to quarter the Westinghouse high football team at The Castleton during their stay here on Saturday.

The Westinghouse team is coming to New Castle by bus early Saturday morning. Coach Burton is planning on bringing 25 men to Lawrence county.

It was also announced today that Westinghouse high would more than likely send its uniformed band of 40 pieces to New Castle for the big grid battle.

METHODIST GRID TEAM LOOKS GOOD

Although Dartmouth Won Allegheny Made Consistent Gains

MEADVILLE, Pa., Oct. 17.—Followers of Alegheny college football team are elated over its fine showing against Dartmouth last Saturday. The big Gold team proved that it has power by making consistent gains through the highly touted big green aggregation and scoring two well earned touchrowns. Allegheny's young team played its opponents almost even for the first three quarters and it was only after Coach Merritt had withdrawn several of Allegheny's sterling players that Dartmouth showed any great degree of superiority over the local gridders.

But for a block kick and two fumbles which resulted in touchdowns for Dartmouth, Allegheny might have been the winner last Saturday.

With Pitt on the schedule next Saturday Allegheny will need to be in high gear if they are to maintain Pitt's upset by West Virginia has inspired the local team and it is hoped that the Blue and Gold players will profit by the increased confidence they have gained as a result of Pitt's defeat.

In the eyes of most of Allegheny followers the game to be played with Grove City here on Otober 27 is of even greater importance than the game with Pitt next Saturday. So great has the interest in the Grove City game become that an additional block of seats is in process of erection on Montgomery field.

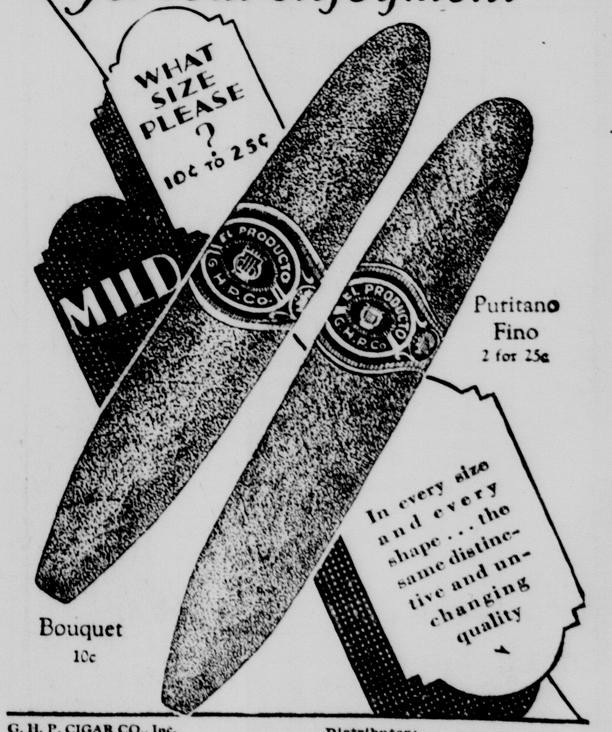

The Grove City game has been designated as Homecoming game and hundreds of alumni will be present when Allegheny meets its ancient rival a week from next Saturday.

Lunghofer Faces Additional Charge

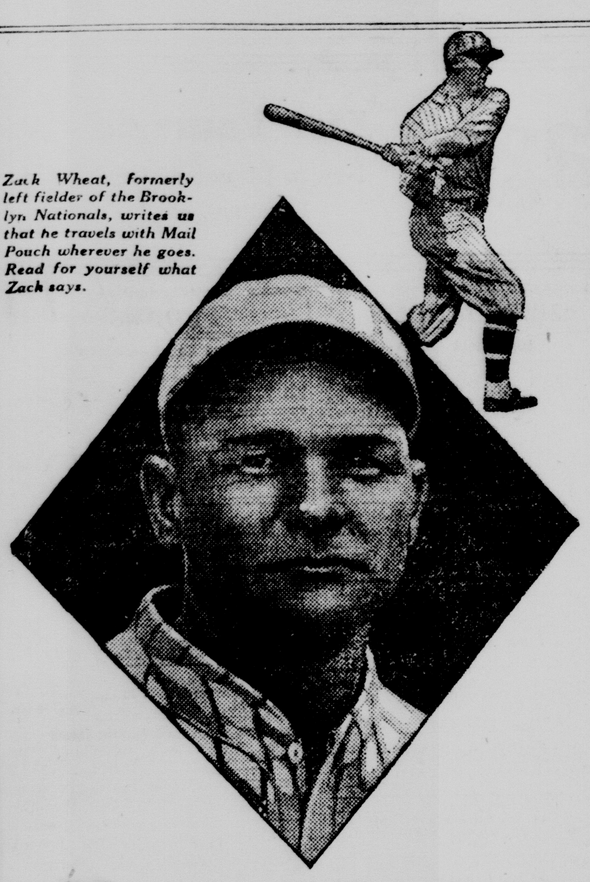

John Lunghofer of South Mulberry street, arrested Tuesday and placed in the county jail on a serious charge made in behalf of a seven year old girl, whom he is alleged to have abused, today faces a second charge of the same kind, also made by City Police Woman Mrs. Minnie McKibben.

This charge is made in behalf of the seven year old step-daughter of Mr. Lunghofer, whom he is also alleged to have abused and misused. The little girls are playmates and schoolmates. Both informations have been made in the court of Alderman C. H. P. Green and in default of $2,000 bail on each charge or $4,000 in all, Lunghofer is being held at the county jail, pending a hearing which will be held the last of this week.

Less Furnace Tending with Youngstown Domestic

COKE

Coal in its most efficient form

HEAT your house with coke—and enjoy a greater freedom from furnace tending. Coke lessens furnace drudgery because it requires less attention than coal—the fire needs less stoking, less shaking down, less draft adjusting and fewer trips to the furnace.

But coke does more than reduce the physical effort of furnace tending—it makes a warmer, more uniform fire which means a more comfortable home to live in. Temperatures can be kept less fluctuating with less effort. And then, too, coke is clean. It is coal with its soot and dust removed. It is concentrated heat—easy to burn, easy to handle and high in heating efficiency—and it is available in the Youngstown territory at almost the same cost as soft coal.

Body Punching Nearly Passe

Referees, Heckled By Some Fans, Fail To Follow Rules

JOEY GOODMAN TO FIGHT McFARLAND

By ED. FRITZ

Body punching is becoming a lost art. Fighters are abandoning the practice, mainly because referees "threaten" fighters with the loss of their purse if a foul is committed. These undeserved warnings handicap a body puncher and it is about time that the boxing commission of Pennsylvania issues instructions that referees should not talk to participants or ringside spectators. The clamor of the "man pack" apparently is also playing havoc with referees.

In the olden days when 20-round fights were the custom a man who wasn't a good infighter didn't have much chance, and even in these 10-round days he is in a similar plight. An open, long range fighter is a pleasant sight to the eye of the fan who doesn't like infighting, but to the person who wants to give a fair break to a fighter who is a good infighter, he is often criticised for giving points which figure in the decision.

Time and again when one participant holds (which is foul) the crowd yells "break!" The referee moves at the dictation of the crowd rather than his own brain. In so doing he cripples the fighter who has his hands free. This was seen during the Cangie-Fitzgerald fight, when Fitzgerald held Cangie whenever the New Castle boy had him in a clinch, but he continually warned Cangie about his left hooks. The referee also permitted Fitzgerald to go down without being hit. This is wrong and in opposition to boxing rules.

Katkish vs. Firpo

Jack Katkish of Pittsburgh and Young Firpo, the well-known student of sock, will be the principals in the main 10-round go at the Jolly Bowl next Monday night, and according to Bill Jolly, who signed the pair late Monday night, "it ought to be some bout." Floyd Hybert originally had been carded, but has not yet recovered from his fight with Firpo, as one of his lacerated lips became infected following the fight. When it recovers he will return to fight Firpo.

Joey Goodman, the flashy Hebrew boy from Norfolk, Va., will fight Jack McFarland, who fought Johnny Datto here. Goodman is only a babe in the woods as yet, but the whipping Datto gave Jack didn't do him any good, as last Saturday night in Cincinnati I saw Mutt Snyder and he in action. Jack will make a mighty good opponent for Goodman. Jack is slipping and Joey is coming, which augurs good for a real fight, one like fans like.

Mickie Dugan, the Hungarian boy who wears the green tights, will clash with Bud Bollender, who has been knocking 'em stiff around this section. Mickie is a good natured boy, likes to fight and with Bud as an antagonist will probably please the crowd. The last time Mick fought here he went out of his way to please fans by fighting Howard Mayberry and put up a good fight.

Elmo the Mighty will go into action with Mike Salo, who is something of a mystery person. As an amateur Mike, who is an Italian, went over big and scored many knockouts. If he hits Elmo, the Mighty One will fall like a ton of coal, according to Jim Buchanan, who handles all of the Pittsburgh region fighters brought to the Jolly Bowl. Tom O'Leary will also get a shot at the Bowl with some 118-pounder.

PUNTS AND PASSES

(International News Service)

CAMBRIDGE, Mass., Oct. 17.—Harvard was to drill in defense against wing plays today in preparation for the Army game on Saturday. Playing straight football, the varsity scored four touchdowns against the scrubs yesterday. Potter, an expert at kicking and passing, is back on the job after an absence of several weeks due to injuries.

WEST POINT, Oct. 17. — Defense against the forward pass continues to be Army's outstanding weakness. The scrubs, using the aerial attack, scored on the regulars yesterday.

STATE COLLEGE, Oct. 17.—Apparently no player in the Penn State lineup is sure of his job. Coach Bezdek is changing the makeup of the varsity daily in an effort to start the best combination available against Penn next Saturday.

PHILADELPHIA, Oct. 17. — Ralph Monk, Penn varsity guard, is suffering from a boil on his left arm and may not be able to play against Penn State on Saturday.

NEW HAVEN, Conn., Oct. 17. — A short scrimmage was scheduled for the Yale varsity this afternoon. Practice in kicking and passing is featuring the preparation for the Brown game.

NEW YORK, Oct. 17.—The Columbia eleven will get a hard workout today before starting tomorrow for Hanover, N. H., for the Dartmouth game. The varsity scored four touchdowns agains the scrubs yesterday.

BETHLEHEM, Pa., Oct. 17. — Lehigh will send a heavy team against Princeton on Saturday. Purvis and Rushlong, ends who do not pack much weight, have been replaced by two big tackles, Captain Kirkpatrick and Jack Levitz.

PITTSBURGH, Oct. 17.—Carnegie Tech, with one of the best teams in its history, is practicing new plays to put into action against Wash-Jeff next Saturday, if necessary. Saul Mielziner, who had been regular center for the past two years, returned to practice for the first time since pre-season training when he was stricken with appendicitis.

PITTSBURGH, Oct. 17.—Members of Pitt's varsity football squad trembled today as shakeups were heralded for the regulars. Endeavoring to get the strongest possible combination, Coach Jock Sutherland is replacing many of the regulars at practice, and threatens to keep them from starting against Allegheny next Saturday.

PITTSBURGH, Oct. 17—Duquesne's football team is receiving light practice to permit healing of bruises suffered by most of the regulars in the Wash-Jeff game last Saturday. The sessions consist mostly of signal practice and lectures on football strategy.

Several Important Grid Games Listed For Play Saturday

Many Unbeaten And Untied Elevens Face Stiff Competition Saturday

(International News Service)

NEW YORK, Oct. 17.—With six big games scheduled, the list of unbeaten or untied Eastern elevens will be considerably curtailed next Saturday. With Army meeting Harvard at Cambridge, Yale entertaining Brown, Pennsylvania tackling Penn State, Columbia playing Dartmouth at Hanover, Lafayette taking on Bucknell at Lewisburg, Pa., and Syracuse Journeying westward for its contest with Nebraska, the day offers one of the greatest cards of the season.

The Army is invading Cambridge for the first time in fifteen years. The Cadets got their Baptism of fire in the Southern Methodist contest, while Harvard will be meeting her first major opponent.

Yale is a strong favorite over Brown. The Dartmouth-Columbia game will provide the first line on the strength of these two teams.

Penn is seeking revenge for her 20 to 0 defeat at the hands of Penn State last season. Bucknell, which furnished an upset by blanking Penn State last week, will find the going harder against Lafayette, whose goal line has not been crossed this season.

Syracuse, stronger than last year, faces a stiff test against the always dangerous Nebraska eleven.

Service Men Like To Get Red Cross Christmas Gifts

Testimonies As To Value and Usefulness Are Received By Donors

Testimonies of all descriptions and from all lands are received each year by the Red Cross organizations in return for their annual shipment of Christmas bags, a treat which is offered those in the service of the United States army, navy or marine detachments each holiday season, declares P. J. Dempsey, executive secretary of the American Red Cross chapter of Lawrence county. Mr. Dempsey just recently issued a request for 15 additional bags from the residents of this district.

The bags which are in most cases made by the donors, usually contain pen knives, wash cloths, puzzles, sets of games, a comb and brush and other useful gifts.

One reply received at local headquarters from a boy in Nicaragua last year reads as follows:

Dearest friend:

It is a joyful feeling to receive this Christmas bag from you. This is to thank you fram afar. This Christmas bag from you was dandy.

A very successful New Year to you,

Sender's name.

Letters of all lengths have been received from those who have been given bags, and each one testifies as to the way in which the boys in the service receive them.

Make Reports Of Minor Accidents

Several Traffic Mishaps Are Reported To Traffic Squad Tuesday

A number of automobile accidents of a minor character were reported to the police in the past 24 hours.

G. I. Waltenbaugh of 542 North Cedar street reported Tuesday that he was driving north on Mercer street at Sycamore Way when his machine struck a car parked in Sycamore Way alongside the Greer building, doing some damage to both machines.

Mrs. Helen Powell of 519 George street reported Tuesday that she was driving east on South street when a truck of the Rieck-McJunkin Dairy Company, with L. O. Hoover driving, and crossing South Mill street, hit and damaged the Powell machine.

Orville Drake, 320 Garfield avenue, was driving a truck of the Citizen's Lumber Company south on South Mill street Tuesday when one of the trucks of the city garbage department going north on South Mill street and making a left-hand turn onto South street, hit and damaged his machine.

Benny Leonard is going to manage the Pittsburgh hockey team. It's a shame more boxers don't make an honest living this way.—The Savannah Press.

N. Y. STOCKS

NEW YORK, Oct. 17.—Under the lead of the oil stocks the rails and the motors, the forward movement in prices was promptly resumed in early trading today, an increase of 83,604 cars in railroad freight car loadings for the week of October 6, making the total of 1,186,598 cars the largest in history for the period, was reported by the American Railway Association. Private reports of specific industries were favorable, with motor car manufacturers forecasting 1929 as the greatest year in the history of the industry.

The decline in the time collateral loan rates to below 7 per cent was a significant event in the money market. Borrowers were reported securing funds at 6⅞ for a period of five months, an indication of easier money conditions over the year-end. The call loan rate was unchanged at 7½ per cent.

The rise in the oils was based on two important factors, the increase in gasoline consumption and the prospect of a better control of crude oil production. Important petroleum marketers are believed to be forming an oil export corporation under the Webb Act. Pan American, Sinclair, Texas Corporation, the low-priced Standard, Mid Continent, Marland, Phillips and other well known oil shares sold at higher price levels in active trading. Atlantic Refining moved up 4 points to 189½ and Barnsdall reached a new high at 43¼.

High-priced specialties moved up 1-5 points and new advances were scored by a dozen or more of the high grade railroad shares.

Suggests School Site For Library

Rabbi Menkes Urges Use Of Martin Gantz Site For Library

TELLS KIWANIANS OF PLAN AT NOON

New Castle needs a new library building, and that building should be on the site of the old Martin Gantz school building, according to Rabbi J. B. Menkes who addressed the Kiwanis club today at noon in the Elks Home on North Mill street.

His subject was "What New Castle Needs Most" and in developing his subject Rabbi Menkes said, "the business man would no doubt want a more extensive credit system, the architect a larger and more beautiful architectural development, while the ministers would like to see a larger church attendance."

Lauds City.

"Here in New Castle we have a wonderful city. We have a sound city government, a progressive administration, a splendid police force, a splendid school system, a wide awake modern newspaper, the Garden club has developed the love of nature to a large exttent here, while our Cathedral towers above the city a monument to civic enterprise."

"Our citizenry is always ready to listen to any philanthropic need, and among our citizens are men of vision and enterprise. But there is one thing here that is an eyesore, a thing which is not looked upon with pride, and something which we do not show to strangers except when we have to.

"It is the public library. Understand me, I am not criticizing the library force. They are a remarkable group of people, earnest, efficient and sacrificial. It is the building about which I speak. Cramped for floor space, for air and for light, it is such a building as the state would not allow any industry to use for industrial purposes.

"It is time that we had a library that would be a credit to the city and I believe the site of the old Martin Gantz school would be ideal. It is my purpose to bring this to the attention of the people of the city and see if we cannot get some action on the matter."

Rabbi Menkes then presented a resolution to the club which calls for the club's endorsement of such a movement. It was referred to the board of directors. Special music was presented to the club today by the Cathedral orchestra and was thoroughly enjoyed.

School Girl Is Struck By Auto

Accident Occurs On Wilmington Avenue; Mishap On North Jefferson Street Also

A. W. Phillips, 623 Northview avenue, was driving south on Wilmington avenue, about noon today, when Vera Flout, aged 9 or 10 years, of 717 Locust street, enroute to school, ran in front of his machine from the east side to the west side of Wilmington avenue and was knocked to the pavement. She got up herself, declined the services of a physician stating that she was only slightly injured on the leg and went on to school.

Mrs. Mary Magill, 202 Garfield avenue, reported today that she was enroute south on North Jefferson street infront of Elliott & Waddington's place of business, when a post office truck driven by Cortelyou Glass, backed out from in front of that place into her car, damaging the fenders and body of her car on the right side.

White Girls Are Found In Dens Of Chinese Tongers

(International News Service)

PITTSBURGH, Oct. 17.—Two 19-year-old white girls were found in company with a Chinese by city detectives in a raid on a Chinese restaurant reported to have been a Tong war arsenal, here today. All three were placed under arrest.

Two complete opium sets were seized and two Chinese arrested in another raid staged a short time later in downtown Chinatown.

Givernor Fisher At Uniontown

(International News Service)

HARRISBURG, Oct. 17.—Governor John S. Fisher, accompanied by State Librarian Frederic A. Godcharles left shortly before noon for Uniontown where tonight a public library will be dedicated.

Tomorrow the governor will go to New Castle where he will receive the 32nd Masocinc degree.

Mrs. James Steiner and daughter Mary Irene of the Allen apartments, North street and Neshannock avenue, have returned home from the New Castle hospital.

Proposal Made For Uniting Of Three Churches

Would Organize Episcopal, Methodist And Presbyterians Into One Unit

BISHOP BRENT IS SPONSOR OF MOVE

Resolution Asking Union Introduced Into Episcopal Convention

(International News Service)

WASHINGTON, Oct. 17.—Delegates to the triennial Episcopal convention today discussed the possibility of an organized union of the Episcopal, Methodist and Presbyterian churches of America.

The discussion centered around a resolution introduced into the House of Bishops by Bishop Charles H. Brent of New York and adopted by an overwhelming majority.

The resolution would provide for a commission composed of three bishops, the Presbyters and three laymen of the Episcopal church. The commission would invite the two other churches to form a similar commission, the three to meet and discuss matters of "Christian Morality."

Look For Unities

Considerable bickering attended the writing of the latter phrase into the resolution. In Bishop Brent's original resolution "Moral Theology" was used. This was characterized both as "vague" and "not covering enough ground." Next "Christian Righteousness" was suggested but this also drew objections.

Brent made it clear that the commissions were not to discuss controversal subjects at first. "We will not be looking for differences, but unities," he said.

Brent declared they were much alike except in the communion and in ordination of clergymen.

Must Crawl First

When it was strongly suggested that the churches confer on controversial subjects as well as abstractions of fundamental theology, Brent replied:

"We must crawl before we learn to fly."

The resolution specified that the Episcopal commission be drawn from "among our younger theologians." This point drew comment from several bishops, all of them elderly men. Brent defended it on the ground that the younger men needed training in the handling of church matters, but was about to withdraw it in order to smooth the way for his resolution when two other bishops indorsed it. There was only one dissenting vote heard.

It was apparent in Bishop Brent's speech that a real union of the three churches was his hope.

Airway Concerns Granted Charters

(International News Service)

HARRISBURG, Oct. 17.—The State Corporation bureau today approved charters for two concerns interested in aviation.

The Patco Flying service, Plymouth, Montgomery county, has a capitalization of $50,000 and will operate a commercial airplane service.

The Central Pennsylvania Airways, Inc., Altoona, was chartered with $5,000 in capital stock to repair and operate aircraft. Robert P. Good, Altoona, is the treasurer.

Government Ends Big Oil Contract

Smith's Campaign To Date Has Cost Over Two Million

Democrats Have Expended $2,555,353.18 So Far In Campaign Is Reported

(International News Service)

WASHINGTON, Oct. 17.—Gov. Al Smith's presidential campaign has cost $2,555,353.18 thus far, the Democratic national committee reported today to the house campaign funds committee.

The committee, at its recent meeting, requested bi-monthly reports of political finances.

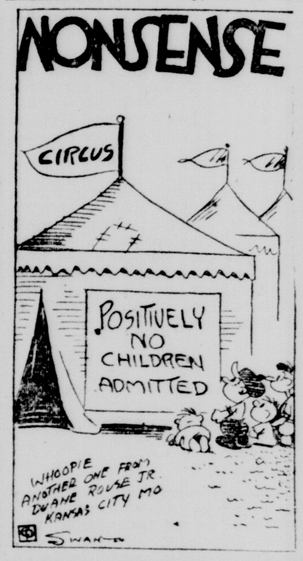

Collections by the Democrats have reached $2,753,192.04. Their original budget called for $4,000,000.

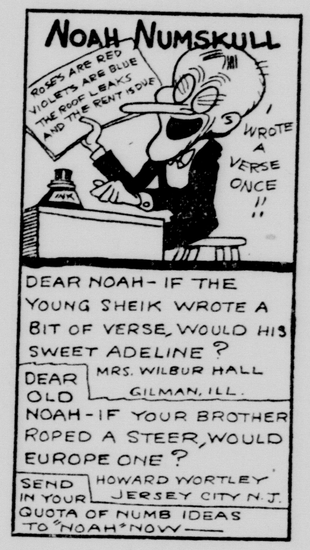

Contributions from Sept. 1 to Oct. 15 totalled $1,539,441.70, of which $500,000 was a loan from the Country Trust of New York.

Aviator Starts Mystery Flight

(International News Service)

ST. JOHNS, N. F., Oct. 17.—Aviator McDonald, who has been waiting here for week for good flying weather, hopped off at 1:21 o'clock this afternoon on what may be an attempted trans-Atlantic flight. He used a Gypsy Moth plane.

Vandergrift Child Killed By Machine

(International News Service)

VANDERGRIFT, Pa., Oct. 17.—Removing the grinning clown mask of a little girl in a Hallowe'en costume who had just been killed by an automobile, William Laughner peered at the face of his 10-year-old daughter Pauline.

A 16-year-old boy, William Means of Vandergrift, the driver of the machine, was under bond today on a manslaughter charge. Laughner, sitting in a store last night, saw the machine strike the girl and rushed to render assistance. The girl died instantly of a fractured skull and broken legs.

"Have Faith In God", Rev. C. H. Erickson's Theme At Tabernacle Tuesday

WILL CONTINUE SALVATION THEMES

"Have Faith in God" was the subject of Rev. C. H. Erickson, evangelist at Everybody's Tabernacle on South Mill street, Tuesday evening, which time he spoke before a gathering of some 2,000 persons. As is the precedent set for each Tuesday night's services, a healing sermon was preached.

Rev. Erickson took his subject from Mark, 11th chapter and 22d verse, wherein Christ says: "Have faith in God." "It is not anyone else but God. One must have a faith in God that is unlimited and He will live up to all of His promises just as they have been written down in the Testaments," stated Rev. Erickson.

"God's word is that which heals. Those who take the word of another in preference or doubt the word of God will not find what we call divine healing," said Erickson. "All rests on God's word.

"If we are good inwardly the outside will be automatically taken care of," stated Rev. Erickson, in speaking of healing diseases. "God's healing is natural healing. We should not expect an unnatural thing to occur when God heals."

Throughout the entire sermon Rev. Erickson strove to impress upon his audience the importance in believing God's word and in doing it in the present. "There will be nothing gained in thinking it over and waiting," he said.

"In all evil and sickness there must be a root. It is this root that God takes care of and exterminates and then the healing takes place as in natural ways."

Following the preaching services a dozen persons came to the altar for special prayer and following this an equal number came to the platform for special healing prayer.

Throughout the entire program music was furnished by the colored singers in both vocal and instrumental selections. Mrs. Rev. C. H. Erickson sang a solo.

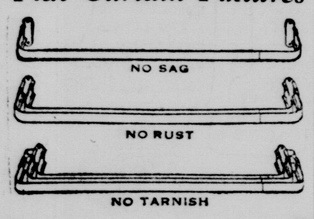

Preaching services will continue throughout the entire week as scheduled; evening services at 7:30 o'clock.

A man's great thrills are the first time he kisses a girl and the first time he hears his office girl say he is in conference.

The Way OF THE World

By GROVE PATTERSON

DUTY.

Robert E. Lee wrote in a letter to his son that "duty is the sublimest word in the English language." To do one's duty as one sees it is the secret of thoughtful and successful living. It sounds simple and is simple—but it is extremely difficult. Mistakenly we seek rest and comfort by shirking duty. Strange that we find it so hard to learn that the path of duty is the way to rest.

• • •

PATENTS.

At least 40 years ago a man wrote a letter suggesting that the patent office in Washington had outlived its usefulness and should be abolished. He said that it was not conceivable that anything else of importance could be invented. Man's ingenuity, he thought, had been exhausted. No one today would be so folish as to write such a letter. Yet we all at times show by our speech and action that we have little faith in the things that are and are to come. It takes a big imagination to predict life. No one has vision great enough. But the places of leadership will always go to those who can see the furthest.

• • •

SALES TIMIDITY.

Most unsuccessful salesmen have two things to blame; a lack of belief in their own goods and timidity. Why be timid in the presence of a prospect when you have something you really believe is good for him? If you don't really believe he ought to have it you are dishonest in trying to sell it to him. If your goods are right you are doing him a kindness to come into his office. Walk in with your head up and don't apologize.

• • •

INDEPENDENCE.

Let's not belittle money as a mark of success. Money provides both power and independence. It is both important and honorable to bend your effort to making a great deal of money. Robert Burns, the greatest Scotchman, knew exactly what he was talking about when he wrote:

"To gather gear by every wile
That's justified by honor,
Not for to hide it in a hedge,
Nor for a train attendant,
But for the glorious privilege
Of being independent."

• • •

KNOCKING.

No matter how honest or honorable a man is, he is never quite a good friend or the best citizen if he persists in unkind criticism of others. Worthy deeds cannot make up for unkindness.

Aviator Hunted, Eludes Officers Following Arrest

Commercial Flier Charged With Stealing Autos Has Twice Escaped Custody

(International News Service)

PITTSBURGH, Oct. 17.—Federal authorities today sought Basil Banghart, 28, former Philadelphia commercial aviator, who has twice escaped from custody after being sentenced to Atlanta penitentiary on charges of stealing automobiles.

Banghart, who escaped from Atlanta penitentiary two years ago amid a hail of bullets, was recaptured Saturday at Bedford, Pa., and brought here. Yesterday he eluded a federal deputy marshal in a corridor of the third floor of the federal building, fled into a crowd of taxpayers in an office and disappeared.

His first escape came after serving eight months of a two-year term imposed in Dayton, O., for auto theft.

Doubtless it is true that cod liver oil will prevent snow blindness. We never saw a blind codfish.
